Witches Picnic Quilt Instructions by Meg Hawkey

Please read all instructions before you begin. Seam allowance is 1/4". Press all seams open.

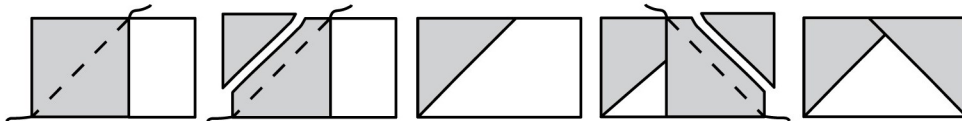

Make 12 half square triangle (HST) blocks.

1. Mark a diagonal line from corner to corner on the wrong side of each of the (Fabric 2) 5 3/8" black squares.
2. Place these right sides together with the (Fabric 1) eight 5 3/8" cream squares.
3. Sew 1/4" from both sides of the marked line. Cut apart on the marked line.
4. Flip open and press the seam allowances open. Trim off the bunny ears on the corners of the HST blocks. This will make sixteen 5" blocks.

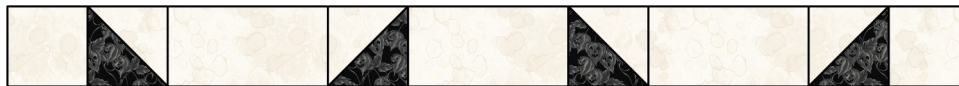

Make 24 flying geese blocks.

1. Mark a diagonal line from corner to corner on the wrong side of each of the (Fabric 2) 48 black 5" squares. Reserve 4 for the border cornerstones.
2. Place a (Fabric 2) square on one end of a (Fabric 1) 5" x 9 1/2" rectangle. Sew along the marked line as shown. Trim off the corner, leaving a 1/4" seam allowance. Flip open and press seam allowances.
3. Repeat these steps for the other side of the rectangle. This will make twenty-four 5" x 9 1/2" flying geese blocks.

Assemble Rows:

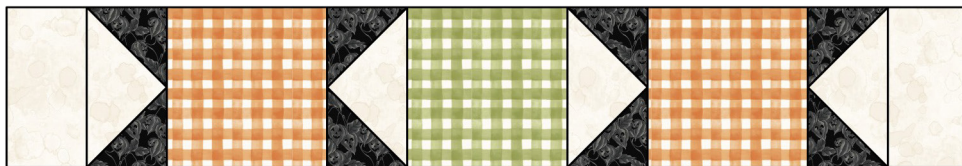

Sew the blocks together to form each row. Press seam allowances. Sew the rows together, taking care to line up the seamlines where they meet. Press seam allowances. See assembly diagram on page 4.
