# Our Company

Welcome to Amawat, your one-stop-place for premium quality mouth fresheners, digestive items, and more! Our journey began in 1967 with the establishment of SFS & Co. by our grandparents, who had a vision to become the top wholesaler of mouth fresheners and mukhwas. With their dedication and hard work, SFS & Co. soon became the leading manufacturer, retailer, and wholesaler of these products in Delhi.

Today, we are proud to be a part of SFS & Co. and carry forward the legacy of our grandparents through Amawat. We are passionate about preserving our traditional food culture and introducing it to the new generation. Mukhwas culture is an integral part of our Indian heritage, and we take pride in offering a wide range of mouth fresheners and digestive items that are made using only the finest ingredients and traditional recipes.

We believe that Amawat is not just a brand, but a go-to post-meal ritual for families and friends. We are committed to providing our customers with a seamless shopping experience and ensuring that each product reaches you fresh and flavorful.
