## Simple and private desk partition

Safeguard your privacy with this simple desk divider made of three layers of felt.

Create your own cocoon with this flexible solution. You will definitely increase concentration while experiencing a nesting feeling. Being easy-to-install, you can use it individually or connect several together, by ordering the fix, to define multiple workstations. With its tactile appearance and colorful options, BuzziTripl Desk offers you the possibility to match it with your existing decor. You can also choose the shape that best meets your needs: round corners or wedge.
