OCTOBER DANCERS OF THE MONTH

RUBY MOONEY

"Ruby is such a great student. Always listens and is so eager to learn the next skill or dance step.

So glad she is apart of CK and that I get to teach her this year!"

Ms. Kelsey

"Ruby is such a great listener in class and always eager to learn her dances. She is an amazing role model for her classmates!"

Ms. Brooke

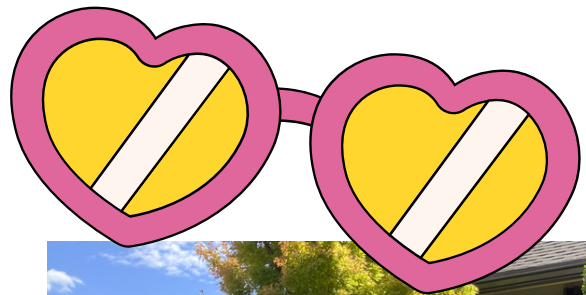

MADISON FROST

"I have enjoyed teaching Madison Frost. She is a hard-working student in and outside of the class room. She is a sweet teammate to her peers and always ready to learn and achieve new skills!"

Ms. Kensey

"Madison has always been such a joy to teach! She has improved so much and it's because she really listens to corrections and applies them. She comes into class with the biggest smile on her face. You can tell that she has so much love for dance. Congrats Madison!"

Ms. Shelby

STAFF MEMBER SPOTLIGHT

MAGGIE WIX

Maggie has been a lover of all things dance since she could walk. This love was fostered with 16 years of dancing recreationally and competitively at CK. She taught recreational dance classes her Junior and Senior years of high school, discovering her love for teaching and mentoring young dancers. During this time, she also found inspiration for content creation while assisting with social media and marketing materials. This season will be her fifth year managing CK's social media channels, while she continues to grow and learn as a dance instructor and choreographer. Maggie is currently a full-time student at the University of Georgia, and is planning to graduate with a Business Marketing degree in May 2024. She hopes to use her degree to further her marketing career while continuing to choreograph and innovate in the dance world.

"I am so thankful for all the relationships I have made through dance. I hope to never stop creating and impacting dancers the way my instructors did for me"

Maggie
