DANCERS OF THE MONTH

STEVIE CATE JOHNSON

"I have really enjoyed teaching Stevie Cate over the past couple of years, she works so hard and is such a joy to teach, she gives 100% in every class, I was so excited she joined my Cuties class this year. I can't wait to see her grow as a dancer. Congratulations Stevie Cate you so deserve Dancer of the Month "

Ms. Emma

"I absolutely love having Stevie Cate in my class this year! Although she might be small she is mighty in Acro class! She is such a sweet student, always cheering others on and excited when they conquer a new skill. Stevie Cate always comes into class ready to work with a smile and a giggle."

Ms. Kirsten

HATTIE GARDNER

"Hattie is such a bright light and brings so much talent to the classroom and stage! She is always dancing full out... and there's no doubt she loves dancing! I can always count on her to know the choreography and give me her absolute best. Not only is Hattie a talented student and dancer, but she is also such a sweet girl... always coming into class ready to work and smiling! I love getting to see her each week and I know all of her other teachers feel the same! Way to go Hattie!"

Ms. Kelly

"Hattie is a natural leader in class and always up for any challenge! She works hard and pays attention to each count and small detail. She is an encouraging teammate and such a kind friend! Congrats Hattie on Student of the Month!"

Ms. Brooke

KATIE CLARK

“Hey CK family! You may have seen me at the front desk or teaching in a dance room. I started teaching at CK in 2021 and teach just about everything! I love my students, the staff and the community around me! I also dance with Sideways Contemporary Dance, a professional dance company in Roswell, and I am so grateful I still get to perform on stage.”

-Mrs. Katie

Congratulations to the new Mrs. Clark! Mrs. Katie made a stunning bride and we are so excited for her future with her new husband. We love you!

STAFF SHOUTOUT

A huge shoutout to CK's very own Mrs. Allison who traveled to Denver, Colorado for the National Dance Education Organization's Annual Conference featuring keynote speaker, Dr. Nyama McCarthy-Brown, a professor at Ohio State University. Seminars covered rich topics ranging from "Dancers are Athletes" warm-ups to inclusion, diversity, productivity, and more! We are so proud of her and her willingness to learn and grow alongside her students, always dedicated to being the best she can in the dance classroom!
