## OUR STUDENTS ROCK

Instructors award “YAY” cards when students obtain new skills, exemplify great behavior, show kindness, or demonstrate other fantastiCK qualities during class. We love seeing these kids show up and show OUT in class each and every week. Keep roCKin’ it!

CK offers select classes as drop-ins! This allows current dancers to try new styles or to get an extra class one week when time permits for only \$25/class! Send us an email if you'd like your child to try any of the following class options:

# DANCERS OF THE MONTH

**CAMERON MILLER**

"Cameron has consistently been one of the hardest working students at CKDW since joining us about 9 years ago. She is a crazy talented dancer and is super focused in class - especially when learning all choreography. I love teaching Cameron!"

-Mrs. Allison

"Cameron is consistently strong in technique class. She gives her best effort every time she does and exercise or goes across the floor and she is very focused in every class."

-Mrs. Shannon

"Hadlee is one of the sweetest kids and is always so focused in class! She is so kind to all of her friends and you can tell that she truly loves to dance! I cannot wait to see her shine in Cuties!"

-Ms. Sophia

"Hadlee is a great listener in class, very focused young dancer, I'm so happy she's in Cuties this season. I'm super excited to watch her dance journey. Keep up the good work, Hadlee."

Going into my second season of being on staff, I love CK, the team and students even more. I am so grateful to enjoy life with the most supportive and genuine friends while doing what I love. I’m looking forward to a great season and can’t wait for many more! Keep tapping!”
