

CELEBRATING 20 YEARS

This new season marks 20 years of CK DanceWorks Inc. CK was originally located a hop, skip and a jump from our current location, a little further down Cedarcrest Rd., in Bentwater. We started with only 2 dance classrooms, around 100 students, and 3 owners who fulfilled all roles including (but not limited to) dance instructors, choreographers, office staff, cleaning, and even maintenance crew! Our very first recital, which was only one show, took place at The Cobb Civic Center. Our turn out was so large that our audience exceeded maximum capacity and some attendants ultimately had to watch the show from a monitor in the lobby! Flash forward 20 seasons, we currently have over 850 students, 6 classrooms, and typically host multiple recital shows in a weekend event. Our team has expanded to 24 amazing and talented staff members, many of which are full-time. We can't wait for the next 20 years!

You can add-on an acro or another dance class for only \$60/month!

DANCERS OF THE YEAR

DancElite Dancers of the Year are nominated and recognized by their instructors for their amazing work ethic and other admirable qualities. Bristol Shephard and Madalyn Bachtel are the 2022-23 recipients. These two dancers are wonderful role models, not only on their own team, but also to younger dancers, as they both are Aspire assistants. Bristol and Madalyn both exemplify hard work, dedication, passion, and humility. They model the spirit of CK in all aspects of their lives. We're so proud of them. Congrats, dancers!

STAFF MEMBER SPOTLIGHT

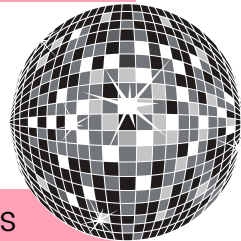

MADISON MARTIN

"Hi, my name is Madison! I grew up dancing for Mrs. Shannon and continued to study dance at Kennesaw State University. I graduated from KSU with my degree in Dance with a Modern Concentration last year. Before my dance journey, I was a competitive gymnast, so acrobatics is my favorite style of dance! I have been teaching at CK since last season and this year is my first year as a full-time staff member."

MEET OUR ASPIRE ASSISTANTS

CK's Aspire program allows current DancElite members, who aspire to one day be an instructor, to assist with our weekly recreational dance and acro classes. All Aspire Assistants must apply in order to be accepted into this program and are trained on how to best support our instructors and students. We are so grateful for their time and help!
