SPOTLIGHT:
RIVER TENETY

"I started gymnastics at 5 years old and competed for 10 years... I loved every second of it!

I've been teaching Acro/tumble for almost 7 years. I started at CK two years ago and have absolutely loved every second of it. I am so thankful for how easily Christina, Kensey, and Brandy took me into their CK family. I love sharing my passion of gymnastics/acro with all the CK dancers and love watching each student accomplish amazing things."
