# DANCERS OF THE MONTH

MADISON HADTRICK

"Madison has been in my class for a few years and has recently blossomed into a beautiful and focused dancer! She is always eager to perfect a step and come to class the next week to show me how she has been practicing at home. She is a joy to teach & I can not wait to watch her grow up at the studio into one talented dancer!"

Ms. Kensey

"Madison is one of the SWEETEST girls and is super hard-working. She always has a positive attitude in class and is a caring team mate!"

Ms. Lola-Reese

"The entire time I was at competition that weekend, Olivia was just full of positivity and caring for everyone around her. She had a hug for everyone she met, and encouraging words to share! She was genuinely super interested in supporting friends from the audience when she could, and she even left her group of friends she was talking to when I arrived to escort me to the main stage seating area when I simply asked her to point me in the right direction at the CK dressing room door! She is a great example of what I think you guys are all about."

Ellie's Mom

"Olivia gives it her all in every class! She works hard at remembering corrections and applies them. She is attentive, kind, respectful and well deserves student of the month!"

Ms. Shelby

**STAFF MEMBER  
SPOTLIGHT:  
SHANNON CHILDERS**

"Dance has always been a way of life for me. I have always loved performing, but I learned early on that I loved to teach people to dance as well. As a child, my teacher would give me costume catalogs so I could create pretend recitals with song choices and costumes. I think I always knew I'd have my own studio one day. After directing Roswell City Dance for 10+ years, my childhood dream came true in 2012 when I opened Studio 23. We enjoyed 6 beautiful seasons for which I am beyond grateful. But, when God whispered in my ear that it was time to close that chapter of my life, He opened a whole new story...CK DanceWorks. I never imagined I'd find a dance home like CK, and I am so grateful for all of the staff and students that have become family. I still teach classes and workshops throughout Georgia, but am thrilled call CK home. I'll be forever grateful to Christina, Kensey, and Brandy for their friendship and for trusting me with their dancers.

On a personal note...

In a few weeks, I'll marry my best friend, Philip, and you'll know me as Mrs. Shannon Brown!"
