DANCERS OF THE MONTH

GARRETT SAWYER

"His progress in the last few months has been incredible! He works on corrections outside of class and tries to apply them to all choreography he is given. He is genuinely interested in learning all he can about dance. I've never seen him get frustrated or give up! He just keeps pushing himself to improve!"

Ms. Kara

"Garrett works so hard and it shows in his dancing!"

Ms. Shelby

JAINA SHECKTON

"Jaina is such a pleasure to have in class! She deserves to win DOTM because she always works hard in class, and is a great example for her peers. She has been called up to show choreography to the class as an example many times. She is a fast learner, and is very focused. Though she is quiet, she shines brightly in the room! I look forward to seeing how she grows and how her confidence shines in the future!"

Ms. Katie

"Jaina always comes into class with a great attitude. She is so kind and respectful. She works hard and is very talented! Jaina takes corrections very well!"

Ms. Shelby

STAFF MEMBER SPOTLIGHT: HANNAH WILLIAMS

At 2 years old, I began my dance career at a brand-new studio opening down the street from my house. That small, family run studio just happened to be CK DanceWorks. From the moment we stepped into the open house, I did not want to leave. Little did my parents know that signing me up for one class at the age of two, would turn into my passion for the next 18 years. I was a member of every program at CK; recreational classes, Reach Out, one of the first members of our Celebrity team, DancElite Prodigy and becoming a staff member, I have done it all. CK has been my home for as long as I can remember and before.

I have been teaching for 4 years and have been working in the front office for 5 years. CK is set apart from so many other studios or gyms because we have our own little family here. Every day I walk into work, and I am reminded of why I love my job when I see all the dancers in class or running up to me yelling “Ms. Hannah!!!” We are so lucky to have such an amazing studio right at our doorstep. I will forever be grateful for CK, I have learned more than I ever thought I would, met some of my best friends and gained so many special people in my life. I have such a big place in my heart for CK! It will always be my second home!
