## NOTES

- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Effortlessly shift positions with a six-button, single motor hand wand that controls recline functions
- Power control independently adjusts the headrest, recline and lumbar for a personalized sit
- Home button returns the headrest, footrest and lumbar to their original positions with one touch
- Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort, and accommodates occupants up to 300 pounds
- USB port built into hand wand for convenient charging
- Pocket on the right-hand side provides storage for the hand control and other belongings
