## NOTES

- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- One power control independently controls the headrest and recline for a personalized sit
- The center console features two cup holders and space to house remotes, magazines and other items
- A separate home button returns the headrest and footrest to their original positions with one touch
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core
- Zero Gravity recline technology reduces the forces of gravity to provide comfort and well-being
