## NOTES

- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Stay comfortable with a four-button hand wand that allows you to efficiently control power lift & recline functions (-55) and a ten-button hand wand that allows you to efficiently control power lift, recline, headrest and lumbar functions (-55PH)
- Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort, and accommodates occupants up to 300 pounds
- Home button returns the headrest, footrest and lumbar support to their original positions with one touch
- USB port built into hand wand for convenient charging
- Pocket on the right-hand side of the lift chair provides storage for the hand control and other belongings
