NOTES

- Built to last with our DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Effortlessly shift positions with a ten-button, 4-motor hand wand that controls the power lift, recline, headrest and lumbar
- Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort, and accommodates occupants up to 350 pounds
- Power control independently adjusts the headrest, recline and lumbar for a personalized sit
- USB port built into hand wand for convenient charging
- A built-in battery backup system will activate during a power failure
