

212 ARC ECONOMY TIG C5

The 212 ARC ECONOMY TIG is the epitome of affordable innovation. Made with Grade A goatskin and a cut level 5 palm liner, this glove is flexible enough to weld in tight spots and keep your hands safe from sharp edges. The fire resistant, cotton, back of hand allows breathable dexterity to help keep you welding all day long and the extended cuff provides additional forearm protection.

EXTENDED CUFF

- Additional Forearm Protection

HIGH DENSITY SILICONE LOGO

ELASTIC CUFF

- Ensures a Snug Fit
- Keep Debris Away From Hand

FIRE RESISTANT BACK OF HAND

- Additional Heat Protection
- Flexible for Additional Dexterity
- Breathable

SEAMLESS INDEX FINGER
