

KLER

Libretto
W I 88

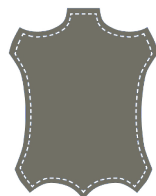

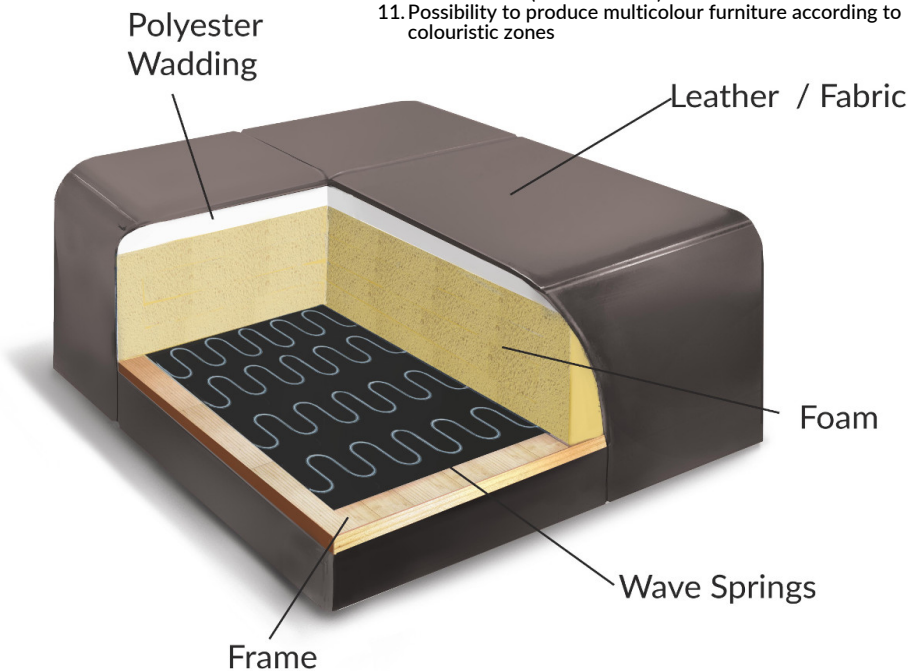

ADDITIONAL INFORMATION

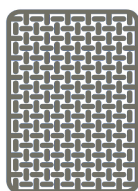

KLER

Libretto W188

1. Foam density in seat: HR3020 + HR4030
2. Foam density in back: VP2315
3. Metal (powder painting) feet. Standard - black
4. Model has adjustable headrests, armrests and swivel seats
5. Drawers close automatically and should not be pressed (closed). After pushing, let the drawer close automatically
6. Swivel function of seat with armrest (90 degrees) operated manually is available in: 1,5ONL/P, 3ONL/P, 3ON2
7. Armrest in 1,5ONL/P, 3ONL/P, 3ON2 after turning 90 degrees (and proper locking "click") can be a footrest with adjustable tilt. Under armrests made in leather there is perforation, that allows efficient drainage of excess air
8. In upper part of backrest, you can choose a headrest/pillow (op. 014) permanently sewn into the backrest with a distance, that allows to adjust the headrest. After selecting this option, headrests will be sewn into each backrest in this element (X90K - 2 headrests). Leather headrests have a perforated strap, that allows efficient drainage of excess air
9. Recommended lumbar pillow: Z151
10. Recommended additional pillow-armrest: ZX14 - it has a built-in metal (stainless steel) container
11. Possibility to produce multicolour furniture according to colouristic zones
