

Klasse Group Ltd Environmental Policy

Klasse Group Ltd are specialists in glazing adhesives, weatherproofing and exterior building protection systems.

Considering the purpose and context of the organization, and the condition of the environment in which the company operates, the management of Klasse Group Ltd is committed to the continual improvement of the Environmental Management System, according to compliance obligations, by following the principles and requirements of the ISO 14001:2015 Standard.

The framework for setting environmental objectives is defined in the Integrated Quality and Environmental Manual.

All employees of Klasse Group Ltd are acting to protect the environment by preventing and eliminating environmental pollution through:

- Continual education to prevent environmental pollution, preserve natural resources, and improve the Environmental Management System
- Continual raising of environmental awareness
- Exploration of new materials with smaller environmental footprints and improvement of hazardous waste management
- Decrease of non-renewable energy consumption and replacement with renewable energy sources
- Activities that emerge from the context of the organization
- Following environmental procedures to decrease environmental pollution, and prevent degradation and damage to the environment
- Decrease of adverse impact on water, soil, air, and biodiversity.

This Environmental Policy is communicated to all persons working for or on behalf of the organisation and is made available to the public if requested.

This Environmental Policy is endorsed by the Executive Management of Klasse Group Ltd.
