

CRNZ Membership Policy

Membership Fees

For Full Members of the association the fee is \$30.00 NZD per calendar year (1st January to 31st December). Members who join after 1st July of the calendar only must pay \$15.00 to cover a 6-monthly fee. Membership fees are due at the end of January and can be paid directly into the CRNZ nominated bank account. Members who do not pay membership fees for the current calendar year will not be eligible as full members and will lose benefits that Full Members have access to.

Membership Information collection

As part of being a full member to CRNZ; CRNZ will collect basic contact information about each member to keep an up-to-date membership list. It is important to keep this list accurate contact information as all members will need to be notified in the event of a Society Meeting. This data will only be kept for this purpose and contact/member information will not be shared outside the CRNZ Executive Committee or with 3rd parties.
