

The Wing Group Quality Policy

Greatness.....be excellent at everything we do
(and call out when it's not occurring)

- **Unlock greatness** – everybody contributing to excellence in leadership, service, efficiency, quality and reliability.
- **Hire great people** - be a great place to work with people proud of their association with the company.
- **Provide great products and solutions** - meet, exceed, and anticipate our customers' needs.
- **Embed greatness in our quality management system** - continually improve, identify opportunities for greatness, and aspire for world class.
