

LANGFORD CANOE

Prospector 17

High Performance Symmetrical

Fast, sleek, and expertly designed, our Prospector 17 is the perfect blend of performance and versatility. With exceptional tracking, a spacious interior, and impressive cargo capacity, it's ideal for families and seasoned adventurers embarking on long trips. Its remarkable stability makes it a safe choice for pets, kids, or paddlers seeking extra balance. Whether navigating calm lakes or challenging waters, this canoe delivers an unparalleled paddling experience. Versatile and reliable in all weather and water conditions, the Prospector 17 is the ultimate companion for those who love to mix up their canoeing adventures.
