PRODUCT QUALITY

Certified 100% Natural by ECOCERT-COSMOS Natural, Europe

Certified 100% Safe by MADE SAFE, USA

Certified By AYUSH, Govt. of India

WHO standard for Manufacturing

Performance from Medicinal Herbs

In shampoo, cleansing of scalp & hair is done by herbs like Reeta and Shikakai.

Luxurious Herbal Aroma

We use only pure 100% organic essential oils in the products for aroma, which gives a natural and luxurious feel.

100% Transparency

100% Transparency by disclosing the complete list of ingredients that get into the product.

Fresh Extraction

Extraction of raw herbs are done in-house at the time of production, for better performance.

Sustainable Sourcing

All ingredients and the packaging are sustainably sourced like RSPO certified Palm derivatives .

Scientific Approach

Our team of herbal / skin experts perform research on the phyto components/ herbs for the benefit of the hair and skin.

Global Sourcing

Global Sourcing of ingredients from best of its origin . We import ingredients from Germany, Africa, Switzerland, England etc.

for Testing of incoming Ingredients &
Validation of Final Product

CERTIFICATIONS

ECOCERT, The highest Global European Certification body that certifies the Natural content of the product as per COSMOS Natural Standard.

MADE SAFE, is a USA-based certification body that certifies the product/ingredients, if they are safe for the body and environment

HERBCIENCE is the first Indian brand to be certified 100% Natural & 100% Safe by ECOCERT, Cosmos Natural, Europe & MADE SAFE, USA

Need For These Certifications

Consumers Are Misled With The Terms Like Natural/ Organic/ Vegan/ Ayurvedic Etc., Because Of Which It Becomes Difficult for Consumer To Trust The Brand. To Bring In Transparency, There Is A Need For Certifications Which Are A Proof For The Genuineness Of The Products.

Also, In The Market, There Are Many Products That Are Loaded With Toxic Chemicals Which On A Long Term Use, May Leads To Serious Health Issues Like Cancer, Reproductive Issues, Hormonal Imbalances Etc.

AYUSH Regulatory Approval

AYUSH is the Highest Regulatory Authority by the Government Of India, Under The Drugs And Cosmetics Act Of 1940, Which Certifies Ayurvedic And Herbal Products In India. HERBCIENCE Is Certified By AYUSH, Government of India.

CSR Activities

We Believe In Inclusive Growth. We have Partnered With NGOs To Help Needy Special Children With Their Basic Hygiene Needs for Skin Care, Hair Care, And Body Care. We donate Products Worth 5% Of Our Profit.

We Have Also Partnered With
NGO'S like SayTrees To
Plant Trees & Make this
World A Better Place To Live.

Our Take On Sustainability

1. All the ingredients are procured from sustainable sources.
(Example - RSPO Certified Palm Derivatives)
2. Paper tube & Aluminium Bottles
3. No Water Pollution as all the ingredients are biodegradable
4. Plastic Negative - 3 times reduction in single use plastics
5. Carbon footprint reduction by 50%
6. Striving for renewable sources of energy in manufacturing and logistics
7. Partnering with social communities/ NGO's for plantation drive

Sustainability Benefits To Hoteliers

1. Elevates customer impression and brings in positive rating & feedback
2. Boosts goodwill and Uplifts your brand image
3. Replacing single-use plastics with Sustainable Refillable solution helps in cost reduction
4. Hoteliers directly contribute towards protecting the environment

DIFFERENTIATION:

HERBSOURCE

- ✓ Performance & Fragrance are from Freshly Extracted Herbs
- ✓ Certified 100% Natural & 100% Safe (ECOCERT-COSMOS Natural, Europe & MADE SAFE, USA)
- ✓ Clean Beauty: Zero chemicals, Eco friendly, 100% Vegan, Cruelty-Free, Non-GMO
- ✓ Fresh Extraction of Medicinal Herbs
- ✓ No Chemical Preservative / Fragrance / Colour

OTHERS

- ✓ Performance from chemicals
- ✓ < 50% natural Content; No certifications
- ✓ Contains Toxic Chemical, harms environment & living species
- ✓ Processed/ Stored Extract
- ✓ All Toxics (Mostly Harsh)

Why Choose HERBCIENCE?

Memorable Consumer Experience

1. Zero chemicals added , No health hazards
2. Luxurious herbal aroma
3. Performance from herbs only (Freshly Extracted)

Environment Protection

1. Water pollution control from 1000Kg of Harsh Chemicals per hotel (100 rooms)
2. Plastic Negative (Free from 1.5lac+ single use plastic bottles)
3. 50% reduction in carbon footprint
4. All ingredients are from sustainable sources (Palm oil derivatives r RSPO Certified)
5. Sustainable packaging (Aluminum containers / paper tube packaging)

Improved Livelihood of Farmers

Direct Purchasing or Contract farming boosts the livelihood of farmers as they can get direct benefits for their efforts.

Great Value to Hoteliers

1. Improve Brand Image & positive customer rating
2. Cost Reduction upto 50%
3. Free Fixtures & Aluminum Containers (On Contract)
4. Tamper Proof Solution
5. Customisation of size & Aroma, for their differentiation

Internationally Certified Products

1. 100% Natural & 100% Safe, Certified by Europe & USA
2. Ingredients are sourced from international sources of best Origin
3. Manufactured per WHO practices (GMP)

Boost to Ayurveda & Economy

Scientific angle boosts the Global adoption of the 5000yr old knowledge & culture of Ayurveda.
