

Miami Pool Shelf Chaise

A modern contoured design and comfortable & durable chaise lounge to relax on or around properties, pool's tanning ledge or in pool shelf. Engineered with LLDPE (linear low-density polyethylene) and achieved by expert rotational molding.

In Water....To fill, remove two plugs in the bottom, flip the lounge and hold underwater; once it fills, the unit will remain in place on your in water pool shelf.

Windy Location.... Fill bottom with hose to desired level for use on extreme windy locations, patios or rooftops.
