

Product Name: LawnPride Kelp-ER
Page: 1 of 4

This version issued: February, 01/02/22

0488 006 570 (any time after hours)

Section 1 - Identification of The Material and Supplier

LawnPride Australia Pty Ltd Phone: 07 3726 5232 (office hours)

PO Box 1364 Beenleigh QLD 4207

Chemical nature: Mixture

Trade Name: LAWNPRIDE KELP-ER Product Use: Liquid fertiliser mixture

Creation Date: January 2021

This version issued: February 2022 and is valid for 5 years from this **Poisons Information Centre: Place 13 1126 from anywhere in Australia**

Section 2 - Hazards Identification

Statement of Hazardous Nature

This product is not classified as hazardous according to the criteria of SWA.

Not a Dangerous Good according to Australian Dangerous Goods (ADG) Code, IATA or IMDG/IMSBC criteria.

SUSMP Classification: None allocated.

ADG Classification: None allocated. Not a Dangerous Good according to Australian Dangerous Goods (ADG) Code,

IATA or IMDG/IMSBC criteria. **UN Number:** None allocated

GHS Signal word: NONE. Not hazardous.

PREVENTION

P280: Wear protective gloves/protective clothing/eye protection/face protection...

RESPONSE

P353: Rinse skin or shower with water.

P301+P330+P331: IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. P370+P378: Not combustible. Use extinguishing media suited to burning materials.

STORAGE

P402+P404: Store in a dry place. Store in a closed container.

DISPOSAL

P501: If they can not be recycled, dispose of contents to an approved waste disposal plant and containers to landfill (see Section 13 of this SDS).

Emergency Overview

Physical Description & Colour: Black liquid

Odour: Mild seaweed odour.

Major Health Hazards: May cause respiratory tract, eye, and skin irritation.

Section 3 - Composition/Information on Ingredients				
Ingredients	CAS No	Conc,%	TWA (mg/m³)	STEL (mg/m³)
Water		>60%		
Seaweed		30%		
Polymethylene urea	9011-05-6	0-10%		
Other non-hazardous ingredients	various	0-10%	not set	not set

The composition of this material is a trade secret. Contains no other components or impurities which will influence the classification with regard to human and environmental risk assessment.

Section 4 - First Aid Measures

General Information:

You should call The Poisons Information Centre if you feel that you may have been poisoned, burned or irritated by this product. The number is 13 1126 from anywhere in Australia (0800 764 766 in New Zealand) and is available at all times. Have this SDS with you when you call.

Inhalation: If aerosols are inhaled; remove from contaminated area. Other measures are generally unnecessary...

Skin Contact: Flush skin and hair with running water. Seek medical attention if irritation occurs.

Eye Contact: Immediately flush eyes with water for at least 15 minutes. Prolonged or repeated contact may result in mechanical irritation.

Ingestion: If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to maintain open airway and prevent aspiration.

Observe the patient carefully.

 Never give liquid to a person showing signs of being sleepy or with reduced awareness; i.e. becoming unconscious.

SAFETY DATA SHEET

Issued by: LawnPride Australia Pty Ltd Phone: 07 3726 5232 (office hours)

Product Name: LawnPride Kelp-ER
Page: 2 of 4

This version issued: February, 01/02/22

- Give water to rinse out mouth, then provide liquid slowly and as much as casualty can comfortably drink.
- · Seek medical advice...

Section 5 - Fire Fighting Measures

Fire and Explosion Hazards: Non-Combustible. Decomposition products may produce the following toxic and/or corrosive fumes of nitrogen oxides and carbon monoxide.

Firefighters to wear self-contained breathing apparatus and suitable protective clothing if risk of exposure to products of decomposition.

Extinguishing Media: There is no restriction on the type of extinguisher which may be used. Use extinguishing media suitable for surrounding area.

Fire Fighting: Alert Fire Brigade and tell them location and nature of hazard. Wear breathing apparatus plus protective gloves in the event of a fire. Prevent, by any means available, spillage from entering drains or water courses. Use fire fighting procedures suitable for surrounding are.

Flash point: Does not burn.
Upper Flammability Limit: Does not burn.
Lower Flammability Limit: Does not burn.

Autoignition temperature: Not applicable - does not burn.

Flammability Class: Does not burn.

Section 6 - Accidental Release Measures

ACTION TO TAKE FOR SPILLS/LEAKS:

Minor spills

- Clean up spill immediately
- Wear personal protective equipment when cleaning up (see section 8).
- Clean up spill with sand or dirt or other inert material.
- For neutralising (if opted), do not use acid directly, use sand and acid.
- Sweep/shovel for disposal. Comply with procedures laid down by local, state and federal governments.

Major Spill

- Clear area of personnel
- · Contact Fire brigade or other hazard agency.

Prevent entry of spills to sewer and public water. Notify authorities if liquid enters sewers or public water.

Section 7 - Handling and Storage

PRECAUTIONS TO BE TAKEN IN HANDLING: Avoid skin and eye contact. Wash hands and other exposed area with mild soap and water before eating, drinking or smoking.

PRECAUTIONS TO BE TAKEN IN STORAGE: Store in a cool, dry, well ventilated place and out of direct sunlight. Do not store close to food or food cartons. Store away from incompatible materials described in Section 10. Keep containers closed when not in use. Check regularly for spills. Keep out of reach of children and pets

STORAGE TEMPERATURE (MIN/MAX): Above freezing

Section 8 - Exposure Controls and Personal Protection

Control Parameters: No value assigned for this specific material or the constituents by the National Occupational Health and Safety Commissions.

Appropriate Engineering Controls:

For 1000L IBC containers, ensure a contingency plan is in place in the event of malfunction of the tap.

Personal Protective Equipment

Eye and Face Protection

- Wear googles or face shield and take all steps to avoid splashing.
- It not recommended that contact lenses be used as they may concentrate irritants.

Skin Protection

- · Wear chemically resistant LONG gloves.
- · Wear rubber boots.
- · Wear Apron or Overalls.
- Do not wear clothes or shoes that reveal bare skin.

Respiratory protection

· Not required under normal conditions.

Product Name: LawnPride Kelp-ER
Page: 3 of 4

This version issued: February, 01/02/22

Section 9 - Physical and Chemical Properties:

APPEARANCE: Black Liquid ODOUR: Slight seaweed odour FLASH POINT: Not applicable

pH: 11.5

MELTING POINT: Not applicable

SOLUBILITY IN H2O: Completely Soluble

DENSITY: ~1.06 g/mL

VAPOR DENSITY: Same as water **EVAPORATION RATE:** no data

Section 10 - Stability and Reactivity

Reactivity and Associated Hazards

• React with acidic chemicals to form non-dangerous salt precipitates.

Stability

- Stable under normal conditions of use.
- · Hazardous polymerisation will not occur.

Conditions to avoid

See Section 7

Incompatible materials Incompatible with:

A sielia ala ansia ala

Acidic chemicals

Hazardous Decomposition Products

- · nitrogen oxides
- · carbon monoxide

Section 11 - Toxicological Information

ACUTE TOXICITY/IRRITATION STUDIES:

No adverse health effects expected if the product is handled in accordance with this Safety Data Sheet and the product label. Symptoms or effects that may arise if the product is mishandled and overexposure occurs are: **Ingestion:**

This liquid is not considered harmful (as classified by EC Directives) because of a lack of evidence. This does not rule out the capability of harm from ingestion.

Eye Contact

While the components of this liquid are not considered an eye irritant (as classified by EC Directives), direct contact with the eye may produce transient discomfort.

Skin Contact:

While the components of this liquid are not considered an skin irritant (as classified by EC Directives), direct contact is not recommended as good hygiene practises should be used.

Inhalation

The components in this liquid are not thought to produce adverse health effects or irritation of the respiratory tract (as classified by EC Directives) and the product is non-volatile.

Chronic

Chronic effects adverse to the health are not considered for the components in this liquid (as classified by EC Directives). Exposure by all routes should be minimised as a precaution.

Classification of Hazardous Ingredients

Ingredient

Risk Phrases

No ingredient mentioned in the HSIS Database is present in this product at hazardous concentrations.

but is unlikely to cause anything more than mild transient discomfort.

Long Term Exposure: No data for health effects associated with long term ingestion.

Carcinogen Status:

SWA: No significant ingredient is classified as carcinogenic by SWA. **NTP:** No significant ingredient is classified as carcinogenic by NTP. **IARC:** No significant ingredient is classified as carcinogenic by IARC.

SAFETY DATA SHEET

Product Name: LawnPride Kelp-ER
Page: 4 of 4

This version issued: February, 01/02/22

Section 12 - Ecological Information

DO NOT CONTAMINATE WATERWAYS Ecotoxicity for product: No available data

The material is not expected to have any deleterious toxic effect. Persistence and degradability: No specific data on this product Bioaccumulative Potential: No specific data on this product

Mobility in Soil: No specific data on this product

Section 13 - Disposal Considerations

Disposal methods: • Reuse or recycle clean containers where possible. • Refer to local government authority for disposal recommendations. Dispose of material through a licensed waste contractor. Normally suitable for disposal at approved land waste site.

Section 14 - Transport Information

UN Number: This product is not classified as a Dangerous Good by ADG, IATA or IMDG/IMSBC criteria. No special transport conditions are necessary unless required by other regulations.

Section 15 - Regulatory Information

AICS: This product is compliant with NICNAS regulations.

Section 16 - Other Information

This SDS contains only safety-related information. For other data see product literature.
