### INSTALLATION STEP

### HOW TO PRVENT FOGGING

- ☀️ Pre-treat your new snorkel mask, get all the residue from the manufacturing process off the lens.
- 🚫 Put your mask on with a dry face and do not take that mask off at all during the snorkel, if possible.
- 🧼 Clean your mask often, and then don't touch it inside.
- 🧴 Use anti-fog every time you snorkel.
- 🚿 Rinse your mask off after every use.
