Gasoline Floor Saw MFS735

These compact and lightweight floor saws offer outstanding cutting performance, smooth operation and excellent maneuverability. These units bridge the gap between a hand-held cutoff saw and a larger walkbehind floor saw, and are ideal for small cuts in asphalt and concrete, for patching and repairs jobs and applications such as installing electric fencing, lighting, etc. Due to their compact size they will fit in every truck and won't take away much space in any warehouse.

MFS735

Less maintenance heavy duty bearings.

Cyclonic 3 stage air-filtration system.

Central lifting point.

Reliable and powerful 4-stroke gasoline engine.

Operating handle can be easily adjusted without tools to operator's body height, provides high user comfort.

One-touch blade guard can be easily opened any time without any tools, for quick and convenient blade changing.

Easily foldable cutting guide wheel.

SPECIFICATOINS	UNIT	MFS735
L x W x H (brackets in transport position, w/o guide wheel)	mm	830 x 488 x 880
Weight	kg	69
Blade diameter max.	mm	350
Blade arbor	mm	25.4
Cutting depth max.	mm	120
Nominal speed the blade	rpm	2,500
Water tank capacity	l	20
Engine model		Loncin-G210F
Engine type		Air-cooled, single cylinder, 4-cycle gasoline engine
Engine displacement	cm³	212
Engine rated power	kW/3600 rpm	4.4
Fuel type		Gasoline
Fuel consumption	l/h	1.7
Fuel tank capacity	l	3.6
