CELEBRATE WITH US!

Here at Spellbinders we are excited to release the Birthday Celebrations collection of dies, embossing folders, stamps, glimmer plates and more! We could not think of a better way to celebrate the 20th birthday of Spellbinders than to create a very special gathering of products for cardmaking, scrapbooking and gift giving all year long. In honor of our birthday, our gift to you is this booklet filled with projects to inspire you and spark joy in your creative process. Happy Birthday Spellbinders! And, thanks to all our wonderful customers for 20 great years!

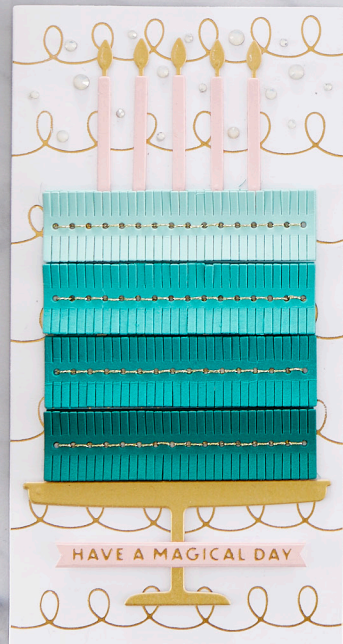

The Surprise Box die really delights with its dimension and charm. It's ready to fill with so many surprises.

From pale pastel to bright and colorful, balloons are always perfect for birthday celebrations!

You won't mind the number of candles on your cake when they are this spectacular. And that new Rainbow Confetti foil? Ooh-La-La!

No matter how you stack it, the Topsy Turvy Cake is sure to make your special birthday person smile!

Fill your next shaker card with the Sweet Sprinkles embellishments - they look good enough to eat!

The Mini Bow is a tiny but powerful die - perfect for so many occasions!

Personalization has never been this fun! Create a slider card that captures all the birthday feelings!
