

**INDTOOLS**  
Sales & Services  
(A DIVISION OF ITL INDUSTRIES LTD)

[www.indtools.co.in](http://www.indtools.co.in)

With More Than 25 Years Experience ...

Leading Distributors for  
Industrial & Mobile  
Hydraulics  
Air & Oil Filtration  
Electricals  
Welding  
Oil & Lubricants  
MRO Products

**Hoses**

**'O' Ring Kit**

**AEROQUIP** offers hose, fittings, adapters, couplings and fluid connectors for all pressures in industrial, aerospace and automotive applications.

**Filter Elements Duplex Pressure Filter**

**INTERNORMEN** offers world class filtration products consisting of Bag filters, Cartridge filters, Automation Self Cleaning filters

- Pressure ratings upto 400bar
- Excellent dirt holding capacity
- Visual and electrical Clogging Provision

**Gear Motor Steering Units**

**CHAR-LYNN** offers wide variety of steering controls, general purpose motors including spool valves motors, Disc valves motors and other high-performance motors

**D.C. Valve**

**Stack Valve**

**Prop Valves**

- Rated Pressure: 350 bar
- Low Response Time
- Compact Design
- Standard ISO Sizes of DG4V3, DG4V-5, DG5V-8 and others

Various combination and sizes upto CETOP 8 including:

- pressure relief valve
- flow control valve
- check valve
- pressure reducing valve
- proportional valve
- cartridge valve

**Gear Pump**

**Single Vane Pump**

**Double Vane Pump**

- Aluminum body
- Compact design
- Flow- 5cc to 24cc
- Pressure upto 205 bar
- Low noise
- Speed upto 1800RPM
- Max flow: 240LPM for single pump
- Max flow: 240+175LPM for double pump
- Single Pump Series: V110, V210, 25V, 35V
- Double Pump Series: 2520V, 3520V, 4520V
- Max press: 205 bar

**Piston Pump**

**DANFOSS (EATON)** wide range of piston pumps includes Multiple combination of Pressure, flow and controls

- Flow Range : 10 LPM to 1000 LPM
- Pressure Range : Upto 800 bar
- Speed : Upto 3600 RPM
- Legendry Vickers series PVB, PVH, ADU & Hydrokraft

**Hydraulic Cylinders**

**DANFOSS (EATON)** offers all types of Hydraulic Cylinders ranging from

- Bore sizes : 40 to 320mm
- Rod sizes : 25 to 220mm
- Design Pressure : 25Mps (250 bar)
- Proof Pressure : 37.5 Mpa (375 bar)
- Maximum Rod Speed : 1.0 m/s.

**Hydraulic Power Packs**

**DANFOSS (EATON)** provide Hydraulic Power Pack for mobile and industrial applications around the world. Our hydraulic power unit are designed and manufactured in-house using the latest technology, this enables us to be competitive in the world market.

# ARGO HYTOS

**Filtration Trolley    Nas Sensor    Proportional valve**

ARGO HYTOS provides wide range of Filtration system and Electro hydraulic Valves

- OPCOM Particle monitor for NAS Valve
- Portable Oil Service unit & Filtration Trolley
- Prop. relief with board electronics

# EPE

**Accumulator    Filter**

EPE range of products includes

- Pressure line & Return line Filters
- Bladder type Accumulators
- Diaphragm type Accumulators
- Piston Accumulators
- Accumulator Charging Kit

# SUN hydraulics CORPORATION

**Cartridges    Manifolds**

SUN HYDRAULICS is world leader of high-performance screw-in hydraulic cartridge valves and manifolds offers

- Counter balance Valve
- Over center Valve
- Compact Manifold
- Flow Control Valve

# HAWE HYDRAULICS

**Radial Piston Pump    Pumping Unit    Pump Spares**

HAWE is the biggest name for high pressure hydraulic cement industries. Hawe radial pumps are specially designed for

- Raw mill lubrication system
- Press shoe lubrication system
- Various flow combination in single pump

# Danfoss

**VLT@ Micro Drive    VLT@ Automation Drive    VACON@ 20**

VARIABLE FREQUENCY DRIVES (VFD)

- VLT Microdrive FC51
- VLT Automation Drive FC 301, FC 302, FC 360
- Vacon 20, 100
- I2C- Micro Drives

# CONCENTRIC (HELDEX)

**Flow Divider    Gear Pump**

CONCENTRIC provides some of the world's best hydraulic products of unmatched quality consisting of Gear Pumps & Flow Dividers for Cement Industry & Mobile Equipments.

# FERROCARE

**ELC 50 C    LVDH**

FERROCARE Manufactures world class filtration machines

- Electrostatic Liquid Cleaning Equipment - ELC Series
- Low Vacuum Dehydrator
- Online Particle Counter
- Moisture in Oil Sensor

# hydraline PRODUCTS

**Suction Strainer    Return Line Filter**

HYDROLINE offers

- Suction Strainer
- Return Line Filter
- Inline Filters
- Clogging Indicators
- Tank Accessories
- Air Breather
- Level Gauge
- Sight Glass Indicator
- Spin on Filters
- Duplex Filter Assembly

# NACHI

**UVN Pump**

**NACHI**

- PVS Piston Pump
- PZS Piston Pump
- UVN Unipump
- VDN Pump

**Valve**

- Solenoid Valve,
- Modular Valve,
- Electromagnetic Proportional Valve

# MPFILTRI

**Filter Elements**

**MP FILTRI**

- Pressure line, Return Line, Suction Filter and Spin-on Filter.
- Duplex Filter - Low pressure and High Pressure.
- Mobile Filtration Machines.
- Contamination Monitoring Products.
- Bell Housing and Couplings.

**NAS Sensor**

# POLYHYDRON

**Radial Piston Pump Pressure Switch**

**POLYHYDRON** offers excellent quality product with low cost

- Hand Pump
- Radial Piston Pump
- Pressure Control Module
- Pressure Control Valve & Switches
- Prefill Valve & Switches

# THK

**LM Guide & Rail**

**Ball Screw**

**Ball Spline**

**THK** the Linear Guide is our main product, which incorporates a component with a linear rolling motion into practical use for the first time in the world. It significantly contributes to the development of high-precision, high-rigidity, energy-saving, high-speed machines with long service lives.

# ENERPAC

**Hand Pump Electric Pump Jacks & Cylinders Pullers**

**ENERPAC** is a manufacturer of high-force tools and components for a variety of markets and applications. Products range includes

- Industrial Tools: Hydraulic pumps, cylinders, valves and system components
- Bolting: Hydraulic torque wrenches, tensioners and multipliers
- Heavy Lifting Technology: Solutions tailored for specific heavy-lifting applications
- Workholding: Hydraulic clamping and fixture.

## MOBILE HYDRAULIC RANGE

**Tractor**

- Single Pump
- Tandem Pump
- Hitch Valves
- Steering Control
- OEM Fitment in
- Mahindra •ITL
- Swaraj • Escorts
- John-deere

**Backhoe Loader**

- Steering Units
- On/Off valves
- Filters • Hoses
- OEM Fitment in
- Caterpillar • JCB
- Terex • Bull

**Forklift**

- Pump
- Steering Units
- Steering Cylinders
- OEM Fitment in
- Godraj • Voltas

**Drill Rigs**

- Close loop pump
- Series 1 motors
- OEM Fitment in
- Apollo • REL
- Atlas Copco
- Doosan

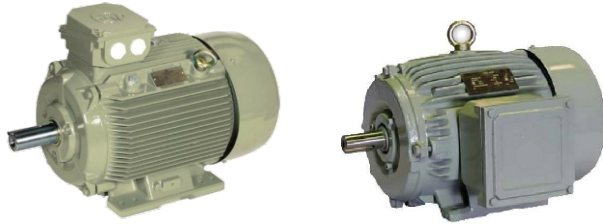

**Excavator**

- Swing Motors
- Track Motors
- Section Valve
- OEM Fitment in
- JCB • SANY
- TATA HITACHI
- LEEBOY

**Utility**

- Gear Pump
- Manifold
- Hydrostatic Units
- OEM Fitment in
- TPS • ROOTS
- BEML • MAINI

Electric Motor

**ABB MOTORS**

- IE2/IE3 Motors
- Crane Duty Motors
- Flame Proof IE2/IE3
- Smoke Venting IE2/IE3

Electric Motor

**CROMPTON GREAVES MOTORS**

- IE2/IE3/IE4 Motors
- Slip Ring Motor
- Crane Duty Motors
- Break Motor
- Flame Proof IE2/IE3
- Textile Application Motors

# SIEMENS

V20 VFD

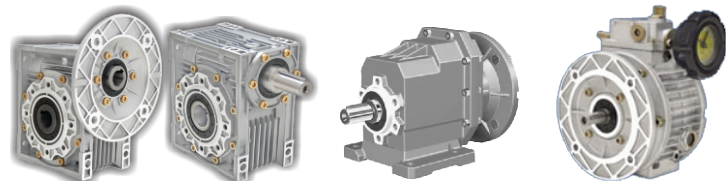

Motor

**SIEMENS** offers following products

Low Voltage Motor : Premium Energy efficiency IE4/IE3/IE2  
 VFD: Sinamics V20 (0.12 KW - 30 KW.) G120 - PM240-2 (0.55KW - 250KW.) G120C (0.55KW - 250KW.)  
 Micro Master Drive (0.37KW - 250KW.)  
 Micro Automation Products: PLC, HMI, Servo Motors & Drives.

# BONVARIO

**EURODRIVES**

Worm Gearbox

Helical Gearbox

Variator

**BONVARIO** Eurodrives BL series Aluminium Casing Gearboxes are manufactured with high quality material in order to guarantee the maximum reliability and strength for long life of the gearbox.

# EATON SWITCHGEAR

Final Low Voltage Product Range

- MCB-0.5A to 125A in B,C & D Curve
- Isolator- 16A to 125A
- RCD- 16A to 125A, 30mA, 100mA & 500mA
- Arc Fault Detection Device, Digital RCCB

Contractors & overload Relays, MPCB

- 10A Control Contactor with AC & DC Coil
- 7A to 1600A Power Contactor in AC-3 Duty, Upto 2600A in AC-1 Duty
- Push Button & Rotary Type MPCB Upto 65A
- PEK Electronic MPCB Upto 65A

Air Circuit Breaker & MCCB

- IEC & UL with advance Protection Release
- 630A to 6300A
- 20A to 2500A with advance Protection Release with Display & Support IoT Network
- 10K to 150KA , Fixed/Plug-in/ Withdrawable version

# ITL Industries Ltd.

Pioneer in India for design and manufacturing of  
Metal Sawing Band Saw and Circular Saw Machines.

Highly Cost Effective  
**Automatic Bandsaw**  
Based on LMG Guides

High Speed NC **Carbide**  
**Circular Saw** with AC Servo  
Drive and Auto Loader

Bi Metallic Band saw Blades,  
TCT/Cermet and HSS Circular  
Saw Cutters, Micro Mist Oil

- **ITL Bandsaw Blade** : ITL Ambassador M-42, Premier M-42, Endura M-51, Superia M-71, Magnum Carbide.
- **Circular Saw Blade** : ITL-FE V, FES V, FER V, FE SP, SUSMAX, AL, NFB.
- **ITL WIRE Brush** : Specially designed for ITL Machines.
- **Micro Mist Oil** : FE 3000, AI 5000, NF 1000, SS SPL.

## Hydraulic Test Rig

- With installed power capacity – 75 HP
- Provide in-house service and repairing of hydraulic products.
- Onsite Services for Erection, commissioning and repairing of hydraulic products.

## AFTER SALES SERVICES

- Offer maintenance services including AMC.
- Always have to focus on services and offer the best technical support to our customer.
- Maintain a huge inventory of GENUINE components for maintenance purpose and never use any substandard or counterfeit spares.

## KEY STRENGTHS

We Design & Manufacture Hydraulic Power Packs and Hydraulic cylinders as per customer's specific requirement.

We have vast range of equivalents (One-to-One replacement) products of brands like REXROTH, PARKER, YUKEN, DENISON etc.

We also have full technical back-up & support for any modifications, if required.

## TRAINING

Our Principle EATON FLUID POWER LTD. (Member of the Danfoss Group) is having the best comprehensive training program in Hydraulics with extensive coverage by theory as well as practice, at their plant at pune. they have yearly Calendar for training programs.

- Customized training program can be arranged for hydral plant, thermal plant & many more.
- Onsite training & training at customer end can be arranged.
