Just Jared x Revolve Clothing Summer Party

Jared Eng of [JustJared.com](#) and [Revolve Clothing](#) held a summer party in Malibu, California on Sunday (July 20) which was hosted by the lovely Jaime King.

Katharine McPhee: Giving a mannish approach to the LWD summer trend, the actress donned a **Haute Hippie tuxedo dress** with a satin shawl collar and drape construction which made for a super sexy look. Styling her outfit with her favourite Alejandra G sandals and adding a pop of colour via her Serapian clutch, she completed her look with a pretty pink lip colour.
