

A bartender in a black t-shirt is seen from the side, holding a wooden tray with five glasses of beer. The glasses contain different styles of beer, from dark to light. The background is a bright, industrial-style brewery with large windows and hanging lights. Other people are visible in the background, some sitting at tables. The overall atmosphere is warm and social.

## THE PERFECT SPACE FOR CHILLED OUT EVENTS.

*No rhyme and no reason, that's our motto. Old faithfuls, new concoctions and a few serendipitous cock-ups along the way. Let's be honest, most of our beers are loosely developed over... well, a few beers.*

Nestled in a repurposed warehouse in Newstead, our taproom & brewery is a hidden gem for beer enthusiasts and food connoisseurs alike, featuring a unique and creative food menu that perfectly compliments our rotating selection of brews.

We don't have a formal function space, but we welcome larger groups for gatherings where we provide table space with a package catered to your group's needs that can include grazing plates, beer, sparkling mead, spirits, wine & cocktails.

We're all about fresh, flavourful, and fun food, pulling on plenty of Asian flavours and influences but delivering something uniquely ours. Enjoy a selection of food to drink beer to shared between you and your close mates, or even that casual work acquaintance that uses the term "humpday" too often.
