

PRODUCT SUMMARY

See wider and better with the FoxFury Command LED Headlamp / Helmet Lights. These rugged lights provide hands-free illumination in all-weather conditions and deliver panoramic lighting for immediate situation assessment. They are designed for use on safety helmets (including hard hats and fire fighter helmets), on a cap, or directly on the forehead.

FEATURES

- True to Life™ LED Technology
- Blend of focused and panoramic light
- 3 intensities (low, medium, high)
- Ultra-Slim design fits most U.S. style fire helmets with external face shields
- Rear safety LED
- Quick tilt (45°) to aim light (Tilt models)
- Waterproof and Impact Resistant
- Fire resistant: meets NFPA 1971-8.6 (2013) requirements
