- Keeps wipes easily accessible for quick disinfecting

### SINGLE PACKETS (500ct)

- Large 8" x 6" wipe
- Pre-moistened individually wrapped wipes
- Designed for on-the-go cleaning & disinfecting

## FAQ's

### Q. Why is the product necessary?

**A.** Regular cleaning, disinfecting and sanitizing are all critical routines to maintain a safe working environment. Handyclean Steridol® Wipes do it all with one wipe.

### Q. How does this product work?

**A.** Our new powerful quaternary cleaning formula with unique active ingredients is bactericidal, virucidal and fungicidal. EPA-approved and proven effective against killing 99.9% of microorganisms tested.

### Q. Does this product contain excessively harsh chemicals?

**A.** No. These wipes are free from alcohol, solvents and bleach.

### Q. Can this be used as a baby wipe?

**A.** No. Please do not use Steridol® as a baby wipe or a personal washing cloth.

### Q. Is this product easy to use?

**A.** Each pre-moistened wipe delivers the correct amount of solution each time. No measuring or mixing required.

### Q. How do I use them?

**A.** Just wipe and toss, allowing the treated surface to remain wet and then thoroughly dry prior to use. Refer to the product label for complete directions.

### Q. Where is the product made?

**A.** Steridol® Wipes are produced in the USA at our EPA-registered California and Ohio factories.
