The Timberwolf TDI3N Gas Fireplace Insert offers many standard features including a premium split oak look log set and "H" style burner that produces a full firebox of flames. The clean face design, flush finish, accessories, and endless design opportunities make this perfect for smaller living spaces. The TDI3N is great for homeowners who want the cost-saving benefits of Zone Heating (heating the rooms you use the most) plus the benefit of replacing an old drafty masonry fireplace with an efficient heating source. Designed for ease of installation, this fireplace insert features designer accessories that provide thousands of style combinations making this unit the aesthetic choice for any home. High-level performance and reliability come standard.
