

At **Bushtukah**, our mission is simple: to provide our customers with quality outdoor gear and unparalleled service to help maximize their enjoyment while participating in their outdoor activities. Providing our customers with a great experience every time they walk through our doors is our goal and our staff make that happen.

The Opportunity: A **Bicycle Mechanic** is a key position within the Tech Shop team at our **NEW Orleans location**. This position reports to the Tech Shop Supervisor and the Store Management and works closely with the entire retail team.

Key responsibilities:

- Assembling, maintaining and repairing bikes according to specific store standards; this includes PDI (Product Delivery Inspection), completing work orders/tune-ups (quotas) on a timely basis, initiating special orders on specific bike parts.
- Ensuring excellent customer service at the counter while balancing the daily work orders.
- Providing advice and assistance to add value to our customer service and support the sales associates.
- Maintaining a clean and organized work area to maximize the customer experience and safety of all staff and customers.
- Support sales team during quiet periods in the Tech Shop by providing our customers with great customer service and solutions on the sales floor.
- Share your passion for our cycling products and the sport.
- Proactively maintain skills and knowledge.
- Complete any other tasks as assigned by the Head Tech/Store Manager and follow our cleaning and merchandising standards.
- Ability to provide solutions to our customers on the sales floor
- Adhere to all company policies and standards, including Health & Safety.

To be successful in this role, you'll need to:

- Desire to deliver world class customer service in a cool bike shop!
- Have a mechanical aptitude. (Bike mechanics certification is an asset)
- Ability to multi-task and juggle many priorities throughout the day
- Excellent communication skills
- Manage your time and meet deadlines.
- Have a passion for cycling and bikes.
- Put customers first, listen to their needs and solve problems.
- Learn as much as you can about the products and services we offer.
- Look for ways to strive for continuous improvement...provide feedback and collaborate with the team.
- Be reliable and flexible to work weekdays, evenings and weekends.
- Show initiative to achieve priorities.
- Have the versatility to work in both the Tech Shop and on the sales floor.
- Bilingual in French and English is an asset.
