

FDLR90250

FRESHCARE+ 9KG FRONT LOAD WASHER

FEATURES & BENEFITS

6TH SENSE

Automatically detects the amount of laundry and according to the fabric pe, chooses the best washing cycle. This intuitive technology guarantees optimal performance as well as time, energy and water consumption.

FRESHCARE+

The ideal solution to make laundry stay soft and fresh inside the machine for up to 6 hours. By gently massaging the laundry with several slow biodirectional oscillations alternated with steam jets. Allowing air to circulate inside the fibers to prevent bad odours.

STEAM PACKAGE

The Whirlpool Steam Package puts you in control of your laundry with two powerful features – for unbeatable cleanliness and refreshing convenience. With the Hygiene option, steam is generated during a wash cycle to eliminate bacteria while treating fabrics gently. And when it comes to freshening up between washes, take advantage of the convenient Refresh feature that uses just 2 glasses of water and 20 minutes to relax fibers and get rid of unpleasant smells!

COLOURS 15'

Low temperatures, perfect protection. The Colour 15° option provides all the care and protection you deserve, while ensuring ideal washing results for all your coloured clothing.

SENSE INVERTER MOTOR

Silent performance. This Whirlpool Washing Machine's innovative SENSE Motor is designed to ensure a long lasting, silent performance. Enjoy both ideal results and some extra peace and quiet.

5 YEAR WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement to ensure the product works as described.
