From: Universal Sequencing Technology Corporation
Re: Manufacturers Declaration: Research Use Only Reagents Kits

This notice serves as a Manufacturers Declarations required for importation into certain areas, regions, or countries from Universal Sequencing Technology (UST) Corporation. The TELL-Seq™ products are manufactured and shipped from the company’s Carlsbad, CA, USA location. UST certifies that the following is true and correct:

1. The product names of each Part Number (PN) comprising the kits to which this manufacturer’s declaration applies are as follows:

- PN 100003 TELL-Seq™ Library Multiplex Primer (1-8) Kit, RUO
- PN 100004 TELL-Seq™ Illumina Sequencing Primer Kit, RUO
- PN 100009 TELL-Seq™ Library Multiplex Primer (9-16) Kit, RUO
- PN 100010 TELL-Seq™ Library Multiplex Primer (17-24) Kit, RUO
- PN 100013 TELL-Seq™ Illumina Sequencing Primer Kit, HT, RUO
- PN 100019 TELL-Seq™ Target Blocker Kit, 8 rxn, RUO
- PN 100035 TELL-Seq™ Library Reagent Box 1, RUO
- PN 100036 TELL-Seq™ Library Reagent Box 2, RUO
- PN 100037 TELL-Seq™ Library Reagent Box 1, HT24, RUO
- PN 100038 TELL-Seq™ Library Reagent Box 2, HT24, RUO
- PN 100043 TELL-Seq™ Library Multiplex Primer C-series (1-96) Plate, RUO
- PN 100045 TELL-Seq™ Microbial Library Reagent Box 1, RUO
- PN 100046 TELL-Seq™ Microbial Library Reagent Box 2, RUO
- PN 100047 TELL-Seq™ Microbial Library Reagent Box 1, HT, RUO
- PN 100048 TELL-Seq™ Microbial Library Reagent Box 2, HT, RUO

2. These products are molecular biology laboratory reagents, consisting of buffers, enzymes and synthetic oligos.
3. All oligos were made from wholly synthetic materials. The origin of these products is synthetic.
4. TELL-Seq™ products are labelled for Research Use Only (RUO).
5. The kits DO NOT test for disease agents, DO NOT contain disease agents, DO NOT contain any components raised against disease agents.
6. These products DO NOT contain animal derived materials.

Due to our shipping condition sensitivity, the product is packed on gel ice and is perishable. We would appreciate timely release of this package through the clearing agency and any help that can be provided in moving through the import process. If need be, the products may be refrigerated during transit, **DO NOT FREEZE.**
