

124E TWISTKLIP™ SIGN HOLDERS

Colorful TwistKlips™ all-plastic, rust proof sign holders

Shown paired with SPRO sign protector

Kostklip's TwistKlips™ are versatile sign holders for endless number of applications. We've improved our original TwistKlip™ by creating an all-plastic sign holder, ideal for wet areas like Floral, Produce, Deli and Outdoor departments. Our all-plastic TwistKlips™ are rust-proof and wash down so it can be used for open food applications. The large clip has a firm grip and attaches almost anywhere for your in-store signage needs.

We've added some **new colors** to coordinate with seasonal displays, promotions, CPG programs or corporate branding. The **clear top creates maximum readability** to inform your customers about your merchandise. Combine the TwistKlip™ with one of our sign protectors to protect your paper signs from damage.

Clear with dark pink, lime green & blue

All black & all clear

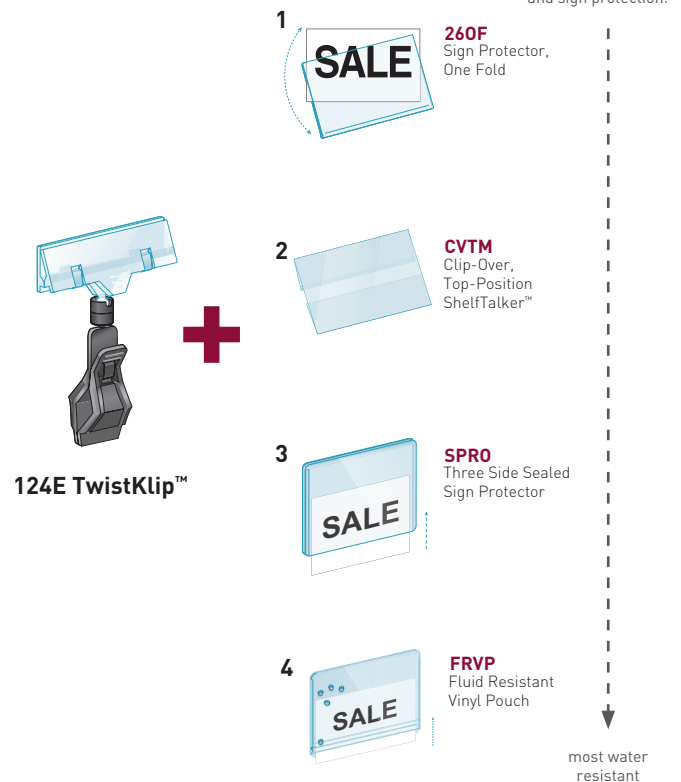

Clear with white & black

Shown with CVTM sign protector by clipping onto the back leg of the sign holder. The TwistKlip™ discreetly displays pricing and signage.

Compatible with:
