

Versatile, flexible, sign clips simple solution for mounting display signage

360° Rotation Means Maximum Visibility

TwistKlips™ are the sparkling new solutions for display signage. These clear clips are available in 14 variations with applications for almost any surface from boxes to bowls or materials up to 1" thick!

TwistKlips™ are engineered with ball and socket joints to allow you to rotate and angle them into almost any position for maximum sign visibility.

Easily Call Attention to Any Department

Our TwistKlip™ Series benefits all departments with its easy and simple to use installation. Just attach and clip your sign. Add a bit of style by bending the TwistKlip™ to reach the desired angle or effect.

TwistKlip™ Standard Features

- Universal joint swivels in almost any direction
- Clear polycarbonate plastic — durable and very transparent
- Sign clip fastens to 4 gauge wire and material up to 0.187" thick and large sign clip fastens to material up to 1.0" thick

TwistKlip™ with Sign Holder Features

- 1"W to 3"W sign holder grips material from 0.008"- 0.02" thick
- 3.125"W sign holder grips material up to 0.25" thick
- Large clip versions feature anti-slip grip-action coating

TwistKlip™ with Base Mount Features

- Magnetic base mounts to most metal surfaces and suction cup base mounts to glass surfaces
