

# FlexKlip® Wire Fence Adapter

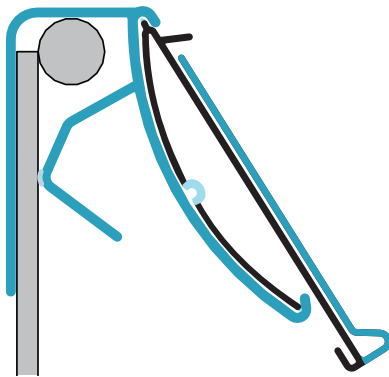

## C-Channel for Wire Merchandisers

The FlexKlip® Wire Fence Adapter is a **semi-permanent molding** that simply clips over your wire fence and basket merchandisers to create a **price channel**.

You can use sign clips directly in the price channel or you can combine it with a **FlexChannel® Clip-In Ticket Molding** for overall **SKU reduction** for your ticket molding program. FlexKlip® shelf adapters are designed to stay on the fixture as the clip-in molding is replaced when needed.

## Features

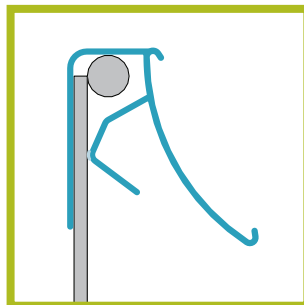

- Made with thicker PVC plastic for durability
- Grip bead prevents molding from sliding side to side
- Price channel fits 1.25" H price tickets, FlexChannel® ticket moldings, and other sign accessories

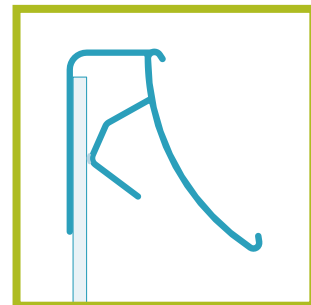

275A FlexKlip® Fence Adapter combined with 278T ClearVision® FlexChannel® Ticket Molding.
