

## ClearVision® Coffin Cooler Ticket Molding for Hussmann® OEM shelving and refrigerated merchandisers

Foam tape for easy installation on coffin cooler fixtures and Hussmann® OEM shelving

Dual windows for displaying plain paper price tickets and ShelfTalkers™

If both J-channels don't fit, the molding can be used with one or no J-channel and adhered directly on to the fixture.

### Features

- Fits over coffin cooler fixtures or Hussmann® OEM shelving
- Easy-to-install ticket molding with foam tape
- Dual clear, flexible windows hold, display and protect plain paper price tickets
- Kit contains two J-channel pieces and one double row of ticket molding

\*Hussmann® is a registered trademark owned by Hussmann Corporation.

## ClearVision® Coffin Cooler Ticket Molding installation sheet

**1** Use on center cooler coffin fixtures, such as Hussmann® Double Flat PTM.

**2** With the longer side on top, fit two the J-channels as far as they can go over the bottom and top edge of the fixture.

**3** Remove the backing of the adhesive tape from the top and bottom of the Double ClearVision® piece.

*\*If both J-channels do not fit, adhere the Double ClearVision® piece directly to coffin cooler fixture.*

**4** Align the Double ClearVision® piece in between the two J-channel pieces.

**5** Firmly press along the edges to adhere the tape to the attached J-channel pieces.

**6** The final installed part should look like the above, where the windows of the double ticket molding open from the top.
