

# Fluid Resistant Zip Pouch with Accessory Holes

**Kostklip's Warehouse Racking Program** is an integrated system of sign and label holder solutions that can be used for indoor and outdoor racking displays. Easily display and scan product and UPC codes, part numbers and bin locations, with a reusable signage program that leaves no adhesive residue. The clear protective sign protectors will protect your signs from dirt and moisture and can easily be attached to various rack and beam levels. Read and conveniently scan bar codes for the higher rack levels from a man-down height.

Attaches to metal racking with magnetic tape

**FEATURES:**

- Easy to clean vinyl material
- Rigid areas reinforce pouch to prevent sign from bending and folding
- Zipper seal keeps moisture out
- » Works well with PerfPaper™ (107P)
