stock color tint availability

Tint colors shown below are stocked and available for our plastic extruded products such as **ClearVision®** and **ClearGrip™** ticket moldings and label holders. Tint color availability does not infer availability of **finished** ticket molding or label holder product in those colors however. Minimum runs apply.

Non-stock colors are available but require color development charges, a minimum order volume and additional lead time to produce. Please contact us for any custom color matching requirements.
