

## ClearTrack™

self-facing product organizer

Shown: top shelf products without ClearTrack™ are jumbled, price tickets are not aligned, an uncertain inventory level

### ClearTrack™ Shelf Management System

Use kostklip's ClearTrack™ shelf management system to keep your product where it matters most – at the shelf edge! Our clear PVC, high quality modular system can be configured in a variety of sizes to meet your product facing requirements.

- ClearTrack™ can help improve sales and loss prevention and reduce inventory shrink.
- Keeps inventory first in, first out.
- Hands-free product facing reduces labor costs and maximizes shelf appeal and profits.

### FEATURES:

- Fully adjustable tracks and dividers can accommodate a wide variety of product shapes and sizes
- Ships pre-assembled with magnetic tape for fast box-to-shelf installation
- ClearTrack™ systems come complete with 15 facings, additional facings can be added
- Standard system is 48" wide and available in 12", 14", or 16" depths (all sizes noted are nominal)
- » Highly customizable: Order from our standard sizes, or contact us for more information on custom sizes
