

# HealthTalkers™

preprinted shelf edge signage

HealthTalkers™ clip over 1.25" H ClearVision® ticket moldings. Contact us about custom requirements for your shelf edge.

## Colorful Awareness

HealthTalker™ bib tags help guide customers' attention to select managed health products. Simply clip a HealthTalker™ over the product's price ticket on the shelf edge.

Available in three different messages—Gluten Free, Low Sodium and Sugar Smart.

## Reusable = maximized ROI

- Designed to be reusable for a year or more
- Positively affects the bottom line and the environment
- Cost-effective in comparison to printed adhesive labels that are often discarded after just a single "weekly special"
- 

## Features

- Clips over ClearVision® 1.25" ticket moldings
- No more messy residue or tedious scraping
- Durable and reusable heat-folded recyclable gloss PVC material
- Custom designed ShelfTalkers™ also available
