

TriVision™ Sign Holder for Pallet Displays

simple construction and 360° view for maximum visibility

Features

- Stable, free-standing sign holder
- Two flexible hinges on each connector for easy construction
- Rigid PVC material for easy insertion and protection
- Easily take apart and store flat
- Reuse SPRO sign protectors with other compatible kostklip® products for other applications

Maximum View to Drive Sales

The three-sided sign provides maximum view from multiple angles to promote your merchandise.

The three-sided sign holder consists of three SPRO sign protectors and three connector hinges. Simply insert your paper signs into the sign protector then attach each end to the connector pieces.

It's perfect for placing on top of pallet displays or other areas where customers view the merchandise from multiple angles

Customize

Looking for more options? Kostklip® can create the sign in any size. Also let us know if you have any requirements to meet for your application.
