ClearVision® Heavy-Duty, Warehouse Ticket Molding

Kostklip's Warehouse Racking Program is an integrated system of sign and label holder solutions that can be used for indoor and outdoor racking displays. Easily display and scan product and UPC codes, part numbers and bin locations, with a reusable signage program that leaves no adhesive residue. The clear protective sign protectors will protect your signs from dirt and moisture and can easily be attached to various rack and beam levels. Read and conveniently scan bar codes for the higher rack levels from a man-down height.

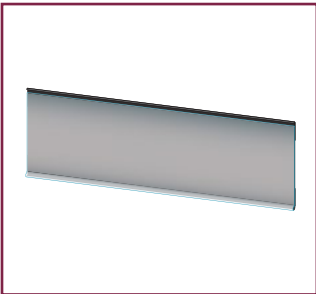

Attaches to metal racking with magnetic tape

FEATURES:

- Clear, flexible window that holds, displays and protects signs
- » Works well with PerfPaper™ (107P)
