INTRODUCTION

This Warehouse and Racking Signage Solutions brochure was created to provide you with one-stop solutions for you warehouse and racking signs. Combine multiple sign holders to advertise your bin labels and safety signs, even on your most complex racking areas. All products shown can be customized to meet your required sizes.

An Integrated Approach

Our integrated system consists of protective sign sleeves, ticket molding, and adjustable sign holders in a variety of sizes. Optimize visibility of your signage and labels for a clean and clear looking display that extends the life of your paper signs. Kostklip's Sign Holders and Ticket Moldings can be used on Standard and High Density Storage Solutions, Picking Systems and Safety and Security areas to protect your bin labels and warehouse signage. Easily scan your bar code labels through the window on any of our sign protectors and ticket moldings.

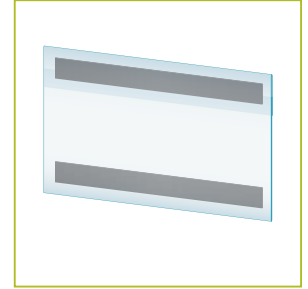

Two Fold with Magnetic Tape Sign Protector (WR2F)

Kostklip's Two Fold with Magnetic Tape Sign Protector attaches to metal racking with magnetic tape and protects and extends the life of your pallet rack signs.

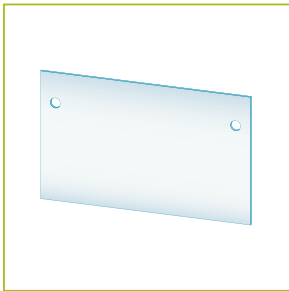

FEATURES:

- Attaches to metal racking with magnetic tape
- Protects and extends the life of your pallet rack signs
- » Works well with PerfPaper™ (107p)

One Fold with 2 Holes Sign Protector (WR1F)

Kostklip's One Fold with 2 Holes Sign Protector attaches to metal racking with straps or rings. Protects and extends the life of signs on wire deck shelving.

FEATURES:

- 2 pre-punched holes
- » Attach to wire decks with LSTR loop straps or snap rings

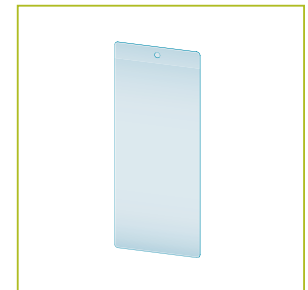

Vinyl Pouch with Accessory Hole Sign Holder (WRVP)

Sign holder for pallet racks and wire decking.

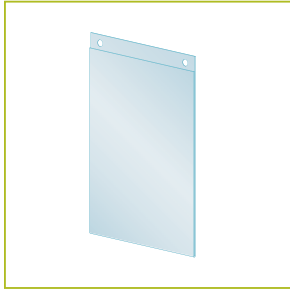

FEATURES:

- Sealed on three sides
- Opens at the top to load paper signs
- Easy to clean vinyl material
- » Attaches to pallet racks and wire decking with loop straps (LSTR) or metal and plastic rings

Acrylic Wall Mount Sign Holder (WMSH)

Kostklip's Acrylic Wall Mount Sign Holder is made from acrylic for high durability, scratch resistance and clarity. Holds printed signs 8.5"W x 11"H.

FEATURES:

- Signs slide in from the top
- Available in a wide range of sizes and in portrait or landscape formats. Call us for more details.
- Holds printed signs 8.5"W x 11"H
- Mounting hardware not included
- » Combine with SCTT suction cup with thumb tack to mount on glass surfaces

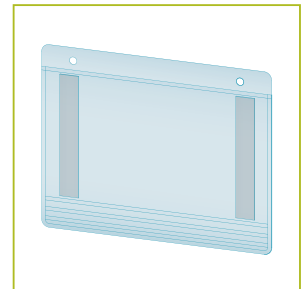

Fluid Resistant Zip Pouch with Accessory Holes (EWFP)

Kostklip's Fluid Resistant Zip Pouch with Accessory Holes attaches to metal racking with magnetic tape. Zipper seal keeps moisture out and easy to clean.

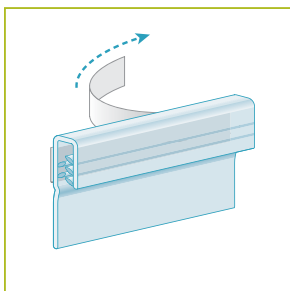

FEATURES:

- Easy to clean vinyl material
- Rigid areas reinforce pouch to prevent sign from bending and folding
- Zipper seal keeps moisture out
- » Works well with PerfPaper™(107p)

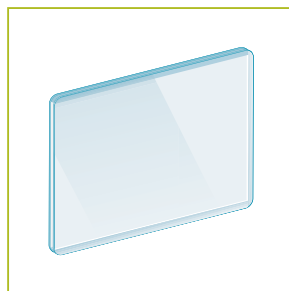

PowerGrip® Flush, Adhesive Sign Clips and Grips (169S)

Kostklip's PowerGrip® Flush, Adhesive Sign Clips and Grips can be applied to any flat surface. PowerGrip® holds sign up to 0.06" thick in flush position.

Three Side Sealed Sign Protector (SPRO)

Kostklip's Three Side Sealed Sign Protector protects and extends the life of your paper signs. Made from heavy duty plastic for extra strength and durability.

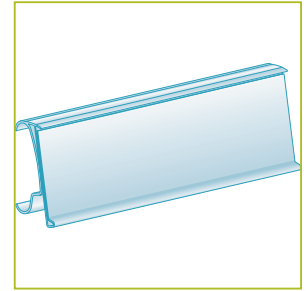

Fence, Clip-On, 25° Angle (89MT)

ClearVision® series

Clips over the front of all Metro® style wire shelves

FEATURES:

- Clear, flexible window holds, displays and protects paper price tickets
- Hinged for easy product access and convenient restocking
- Boot at bottom of window keeps ShelfTalkers™ in place

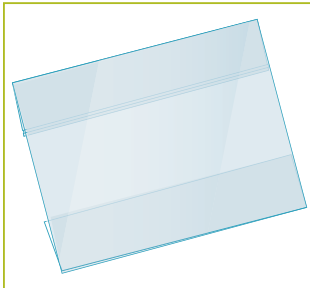

Fence, Clip-On, 25° Angle w/ Top-Position ShelfTalker™ (CVTM)

Clips over the front of all Metro® style wire shelves.

Made with high gloss PVC for durability and high impact resistance

Clips over clear window on any 1.25"H ClearVision® ticket molding

FEATURES:

- Clear, flexible window holds, displays and protects paper price tickets
- Hinged for easy product access and convenient restocking
- Boot at bottom of window keeps ShelfTalkers™ in place

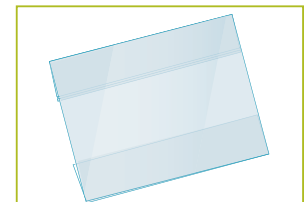

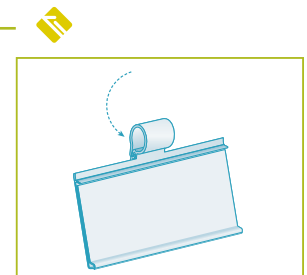

WireFence, Locking Label Holder w/ Shelftalker (185L)

Clips onto and hangs from any style of wire fence or basket

Made with high gloss PVC for durability and high impact resistance. Clips over clear window on any 1.25"H ClearVision® ticket molding

FEATURES:

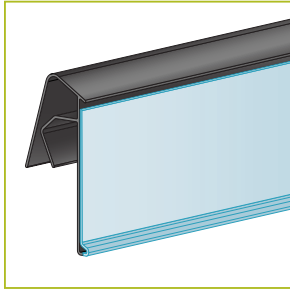

- Sealed on three sides
- Opens at the top to load paper signs
- Easy to clean vinyl material
- » Attaches to pallet racks and wire decking with loop straps (LSTR) or metal and plastic rings

Fence, Clip-Over, 17.5° Angle (34RC)

ClearVision® series

Clips over tool bins, wire fences, totes and other warehouse boxes

FEATURES:

- Clear, flexible window holds, displays and protects paper price tickets
- Angled window for convenient viewing

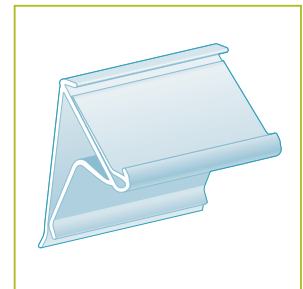

Universal Wire, Clip-Over, 35° Angle (35YC)

ClearVision® series

Clips over tool bins, wire fences, totes and other warehouse boxes

FEATURES:

- Clear, flexible window holds, displays and protects paper price tickets
- Angled window for convenient viewing
- Outer 1.25" H channel holds a variety of sign clips, sign holders and other merchandising accessories

ClearVision® Heavy-Duty, Warehouse Ticket Molding (WRFM)

Kostklip's Heavy-Duty, Warehouse Ticket Molding attaches to metal racking with magnetic tape, and protects and extends the life of your pallet rack signs.

FEATURES:

- Clear, flexible window that holds, displays and protects signs
- » Works well with PerfPaper™ (107P)

Plastic Ring, Split Hinge (RGPH)

Kostklip's Plastic Ring, Split Hinge attaches easily to displays. Simple design offers secure holding power. 0.75" wide.

FEATURES:

- Design offers secure holding power
- Attaches easily to display
- » Use with WR1F warehouse racking sign holder

Metal Ring, Split Hinge (RGMS)

Kostklip's Metal Zinc Ring, Split Hinge attaches easily to displays. Popular for hanging sign and vinyl sign pouches, and strong steel alternative to plastic.

FEATURES:

- Design offers secure holding power
- Attaches easily to display
- » Use with WR1F warehouse racking sign holder

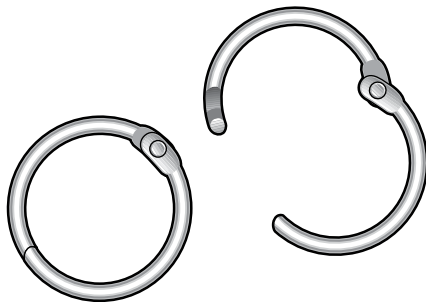

Metal Ring, Snap Hinge (RGMH)

Kostklip's Metal Zinc Ring, Snap Hinge attaches easily to displays. Popular for hanging sign and vinyl sign pouches, and strong steel alternative to plastic.

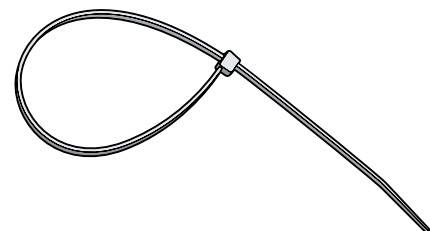

FEATURES:

- Design offers secure holding power
- Attaches easily to display
- » Use with WR1F warehouse racking sign holder

Loop Strap (LSTR)

Kostklip's Loop Strap can be used to fasten merchandise accessories to your display. Available in 4" L or 8" L.

Scissors with Holster (KSHC)

Kostklip's Scissors with Holster are forged steel scissors that can be used to cut through flat mount ticket molding, tape and ShelfLife strips.

FEATURES:

- Forged steel scissors
- Cuts through flat mount ticket molding, tape, etc.
- Includes an ABS holster with stainless steel clip

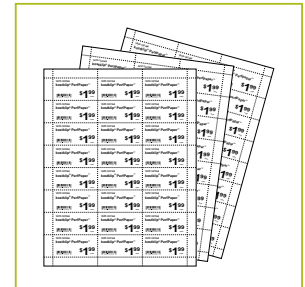

Perforated Sign and Label Paper (107P)

Kostklip's Perforated Sign and Label Paper is matte finish, micro-perforated paper with smooth tear away edge. 0.0055" thick medium 28lb bond paper, 92 Bright.

FEATURES:

- Plain paper price tickets cost significantly less than adhesive labels—up to 90%!
- Quick and easy label change – no scraping adhesive residue
- Print signs and tickets at store level for convenience and last minute changes.
- Plain paper can be used with any available printer
- Reduce your carbon footprint by recycling plain paper tickets instead of throwing away adhesive labels

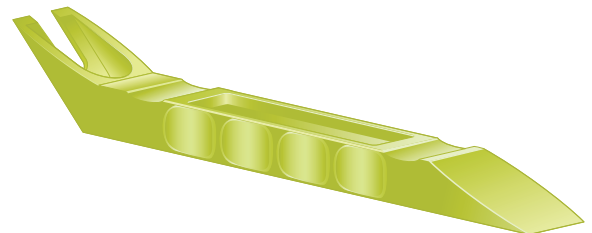

Installation & Label Tool (CVTL)

Kostklip's ClearVision® scrapes adhesive labels and other residue, and can also be used to install C-channel ticket moldings or open ticket molding windows

FEATURES:

- Scrapes adhesive labels and other residue from C-channel in preparation for
- installation of ClearVision®, ClearGrip™ and Flex Series ticket molding
- Slides along clip-in ticket molding to snap into the C-channel during installation, preventing finger burn
- Applies consistent pressure to adhesive ticket molding for quick installation and proper bonding
- Hook end slips behind clear window to pull it outward for easy insertion or removal of price tickets
