Collapsible Bunk Bed Installation

INSTALLATION MANUAL Tools You Will Need:

Adjustabie Wrench Hexagon wrench

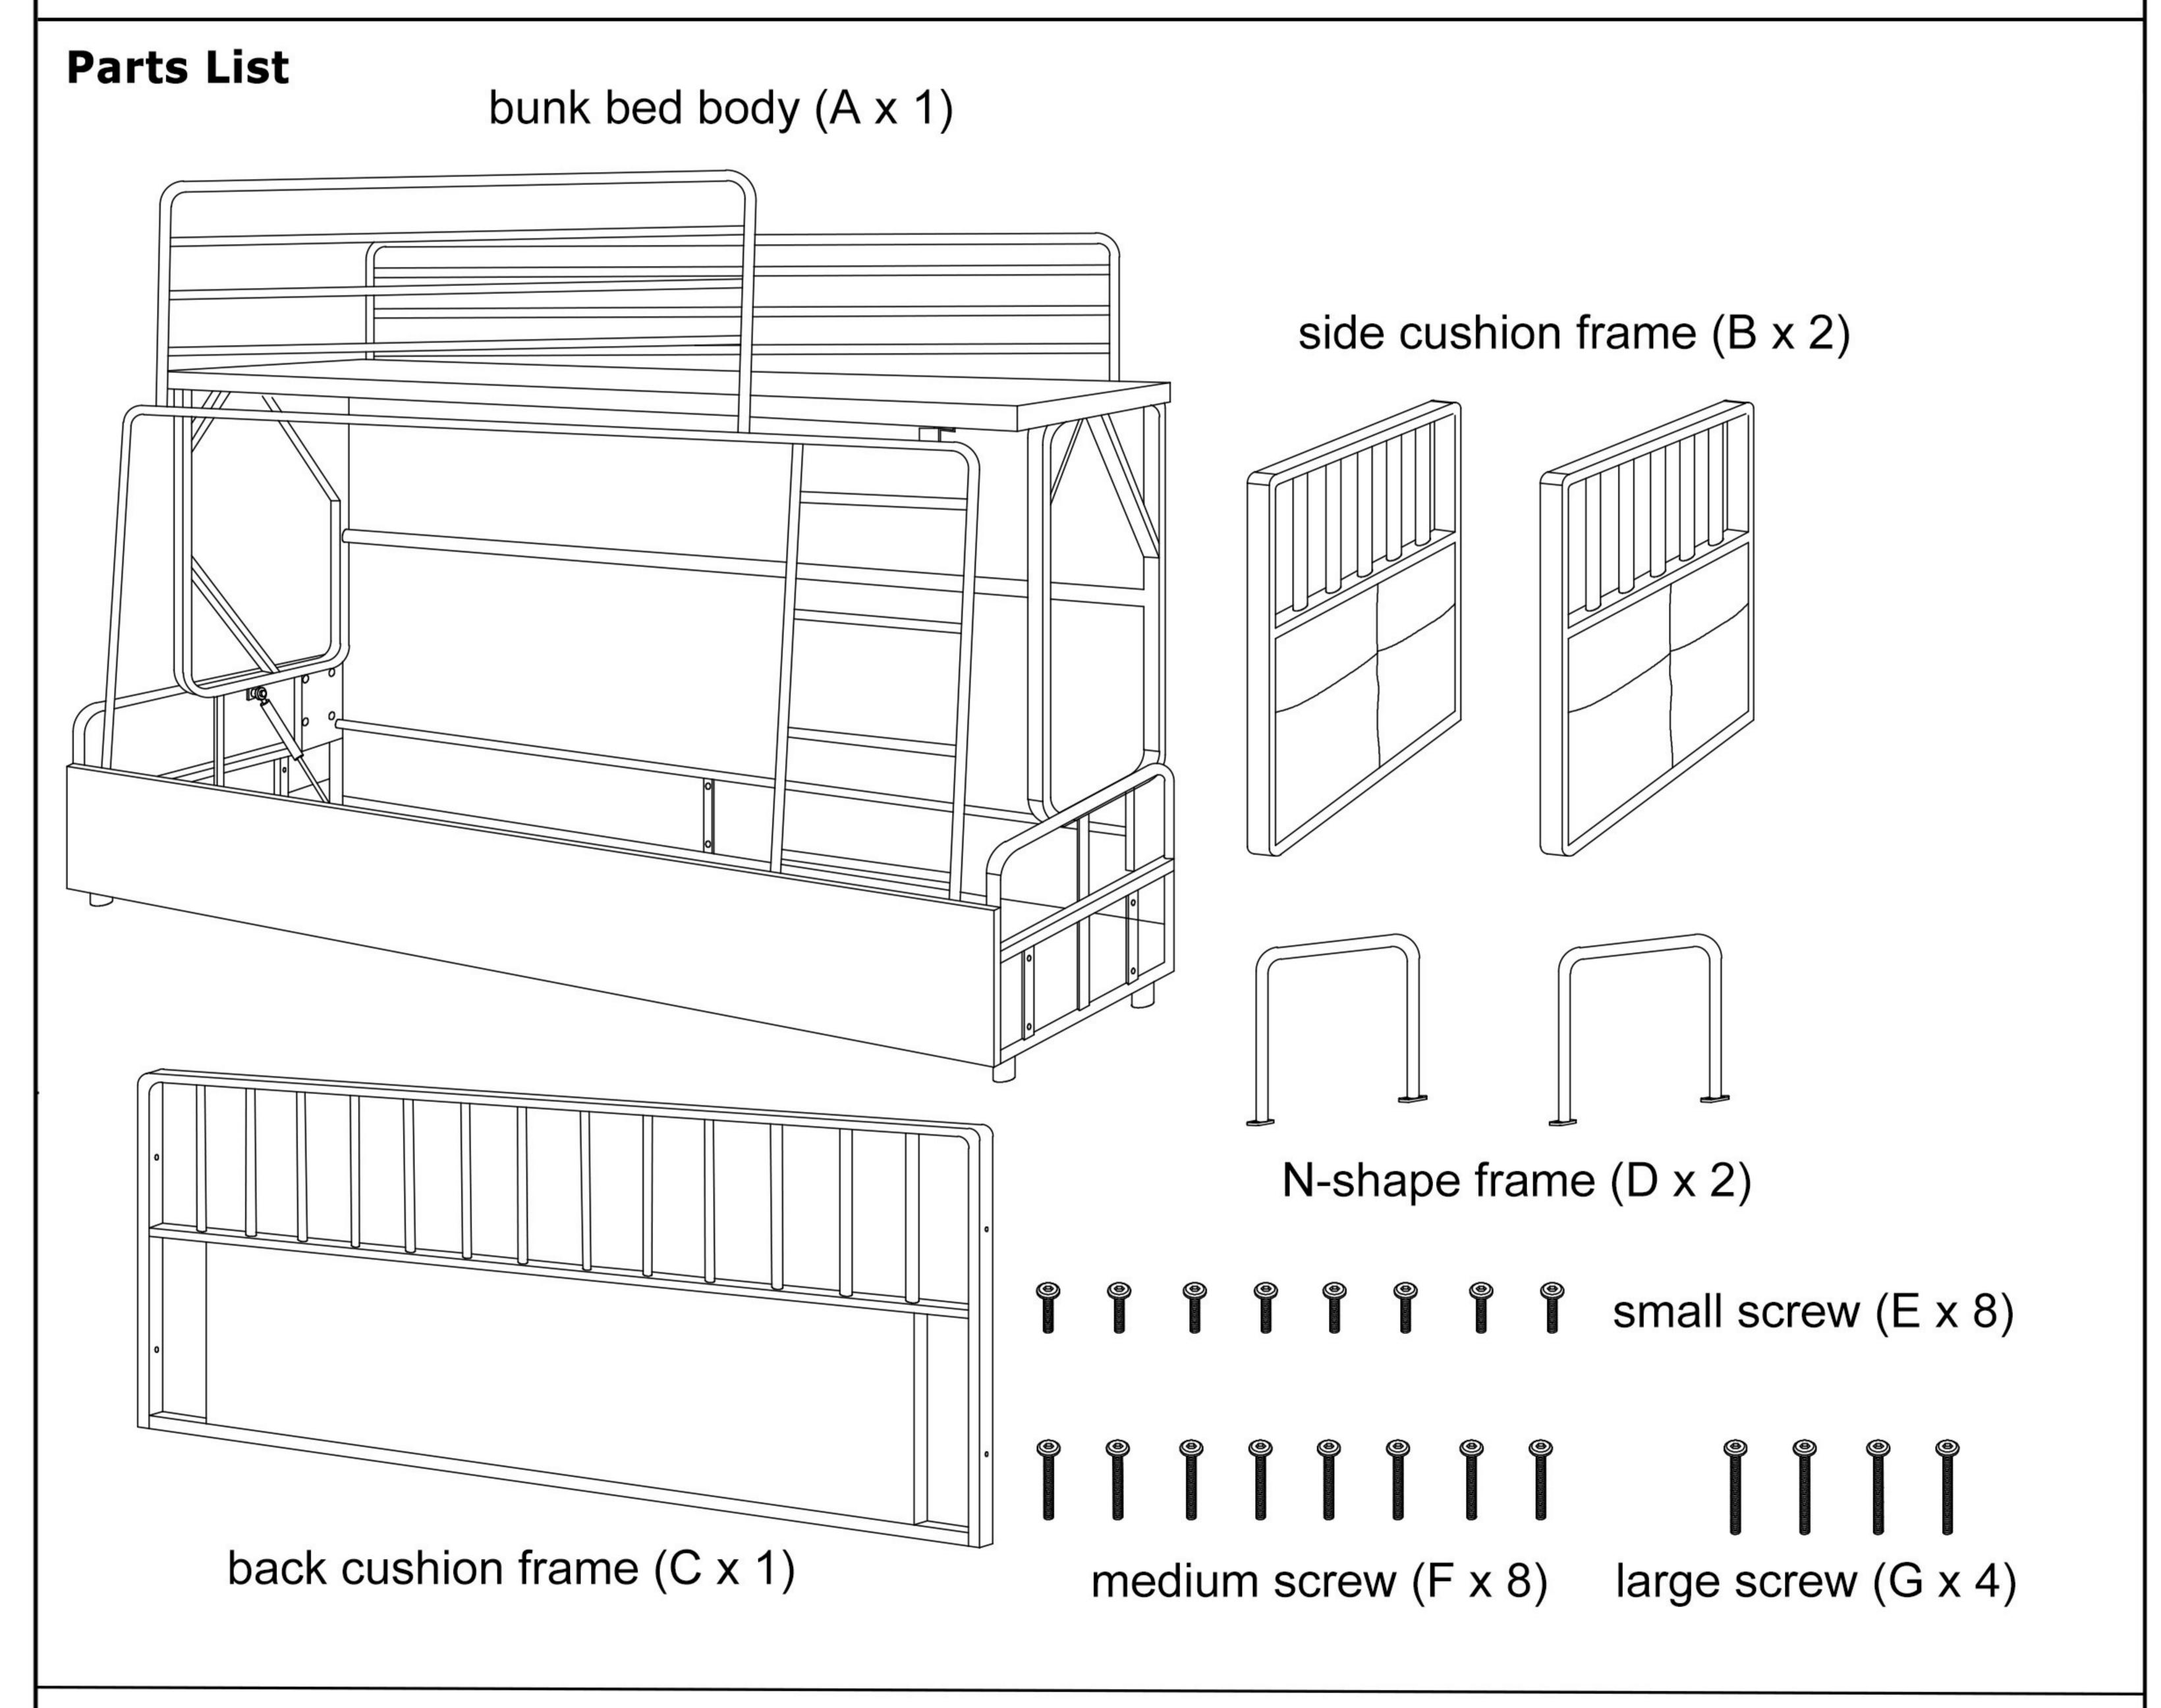

Philips Screwdriver

Before the Installation

- 1. Do not throw away packing materials until assembly is complete for small parts may come loose inside the carton during shipment. If parts are missing, please contact us.
- 2. Assemble this item on a soft surface, such as carpet to protect the finish.
- 3. Proper assembly of this item requires 2 people.
- 4. Periodically check to ensure that all connections are tight.
- 7. It is recommended that installation of the product be done by a qualified licensed plumber.

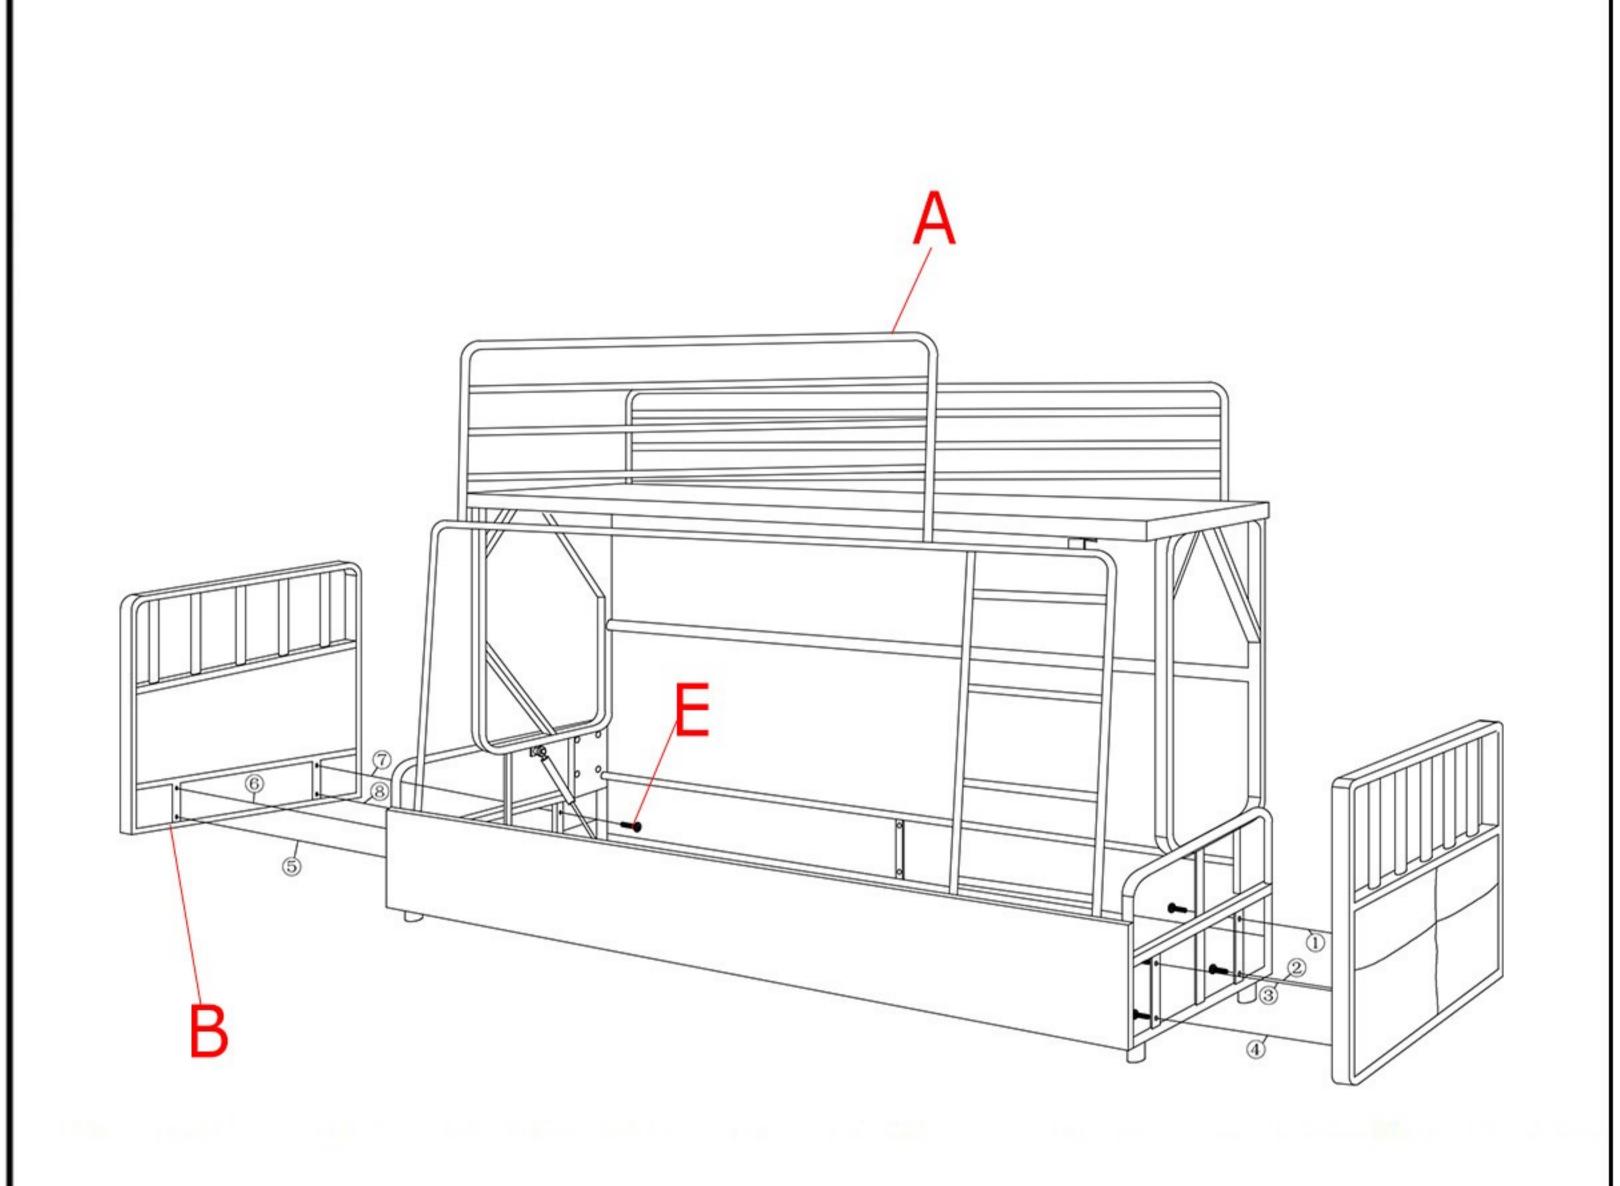

Care and Cleaning

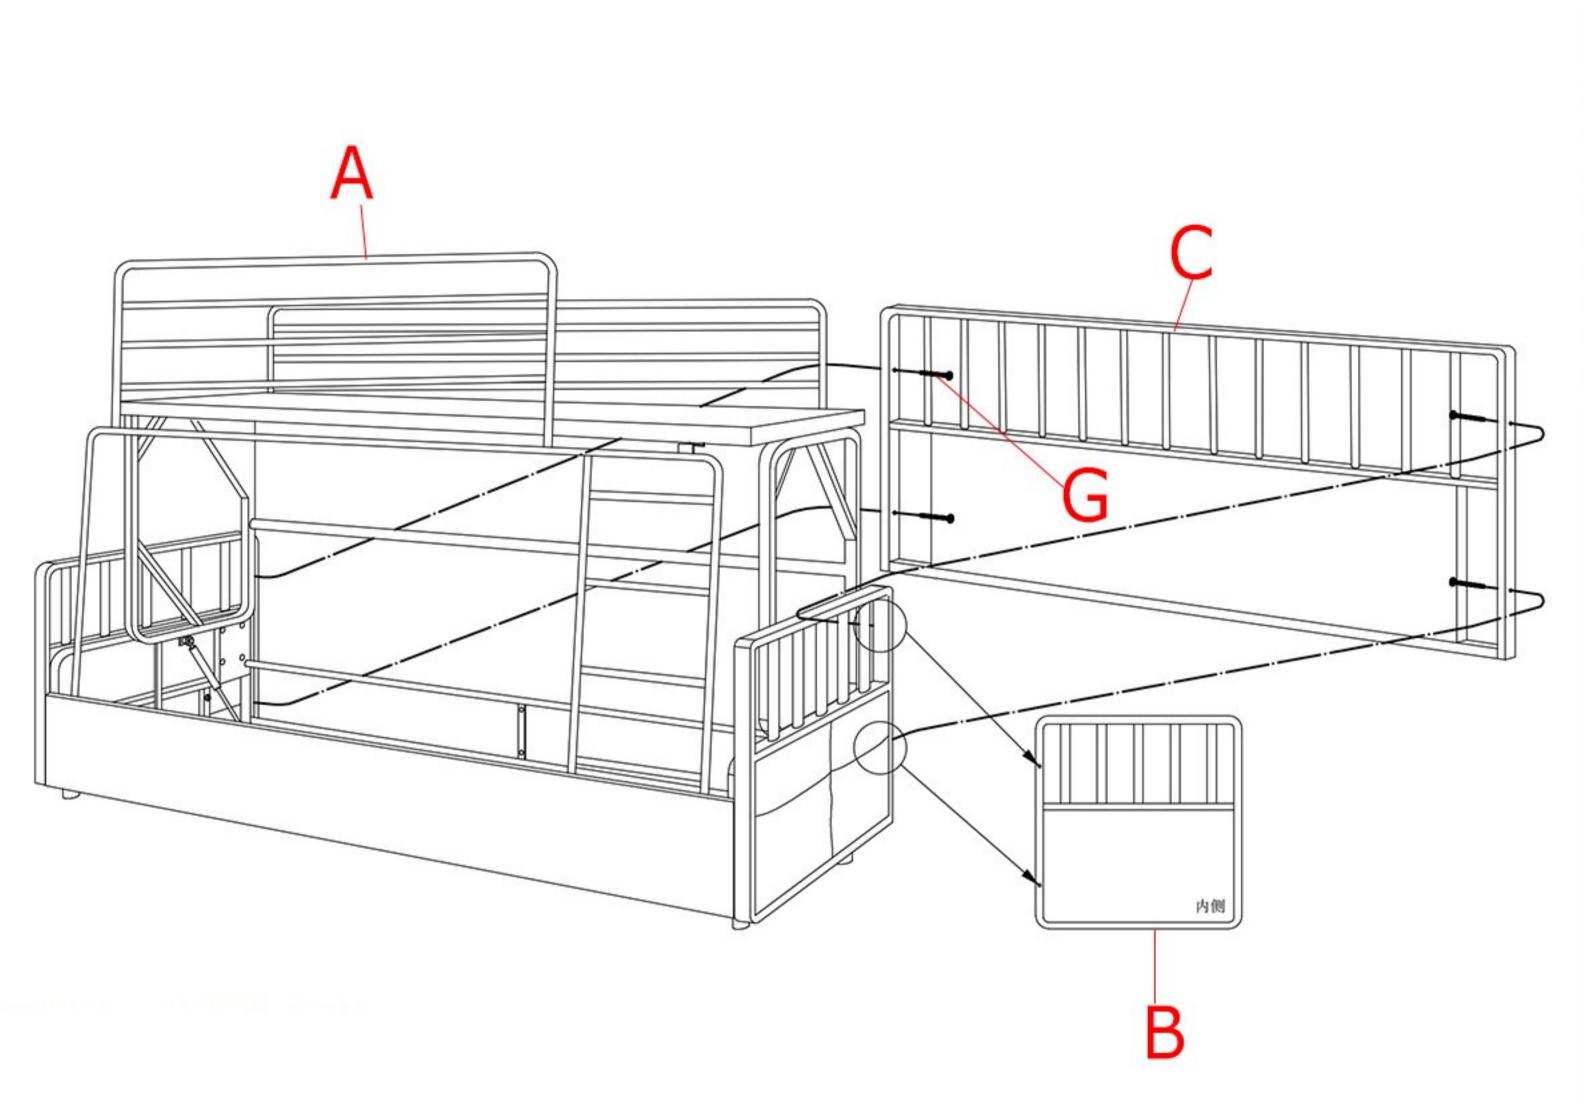

- 1. To protect the finish, avoid use chemicals and household cleaners.
- 2. All hot serving dishes should be placed on a pad.
- 3. Any liquid spilled onto the top should be cleaned up immediately with a damp cloth.

Note: Do not fully tighten all bolts until all parts are in place. Failure to follow these instructions may cause the bolt to misalign during assembly.

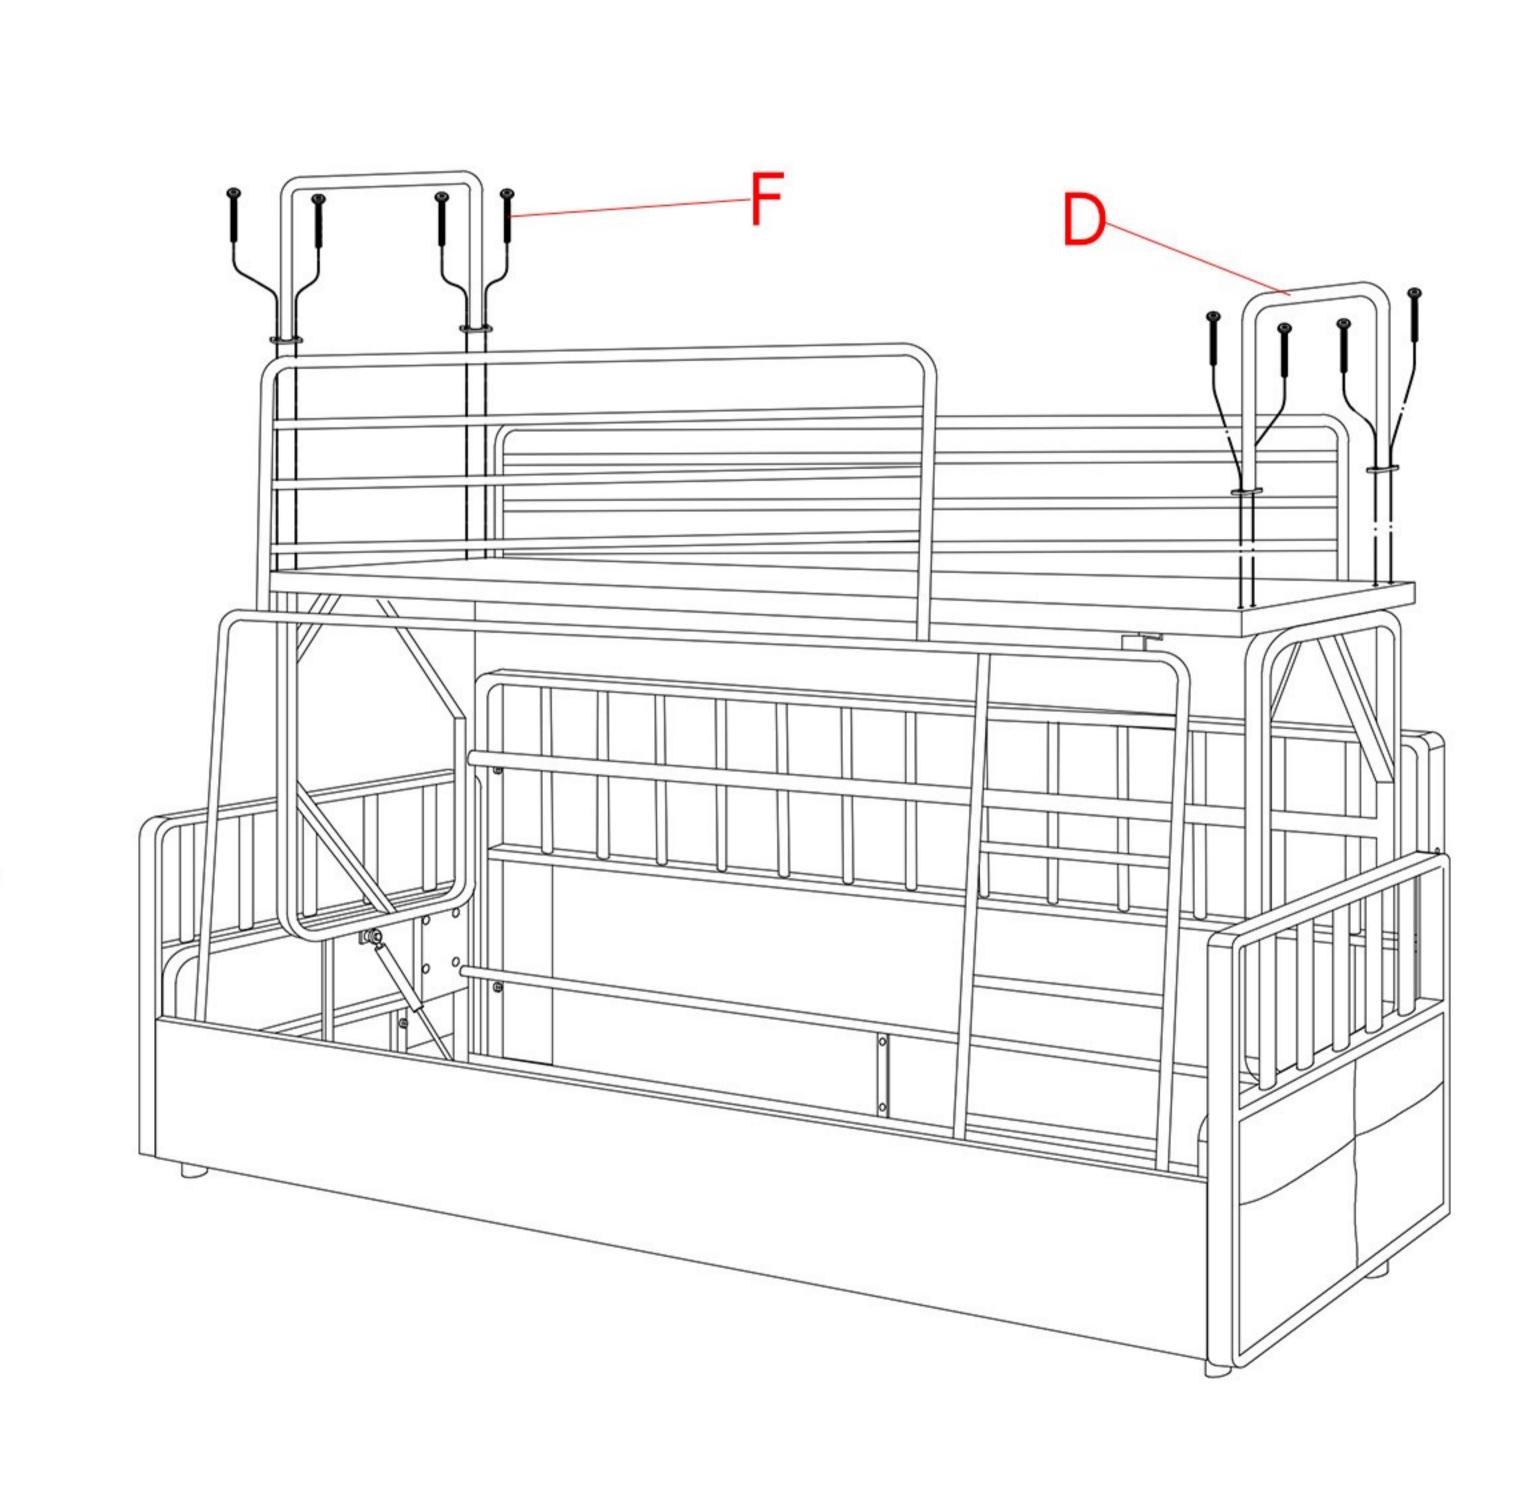

Installation Guide

1. Screw up the side cushion frames (B) with the bunk bed body (A) with 4 small screws (E) on each side as shown in the picture.

2. Fix the back cushion frame (C) with the side cushion frames (B) and the bunk bed body (A) by tightening 2 large screws (G) on each side as shown in the picture.

3. Install the N-shape frames (D) to each sied of upper bed by screwing 4 medium screws (F).
