BIG RIVER BAKERY

NATIONAL STOTTIE CAKE WEEK

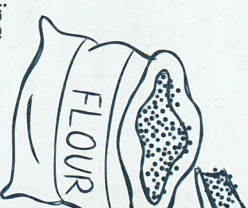

12TH-18TH
February
2024

**Big River Bakery has always believed in the
Power of the Stottie and decided it was time
this North East delicacy was celebrated!**

And so National Stottie Cake Week was born. It's to celebrate the
heritage of the hard working people of the NE - from the coal mining
and ship building days, to the present day - but also looking to the future.

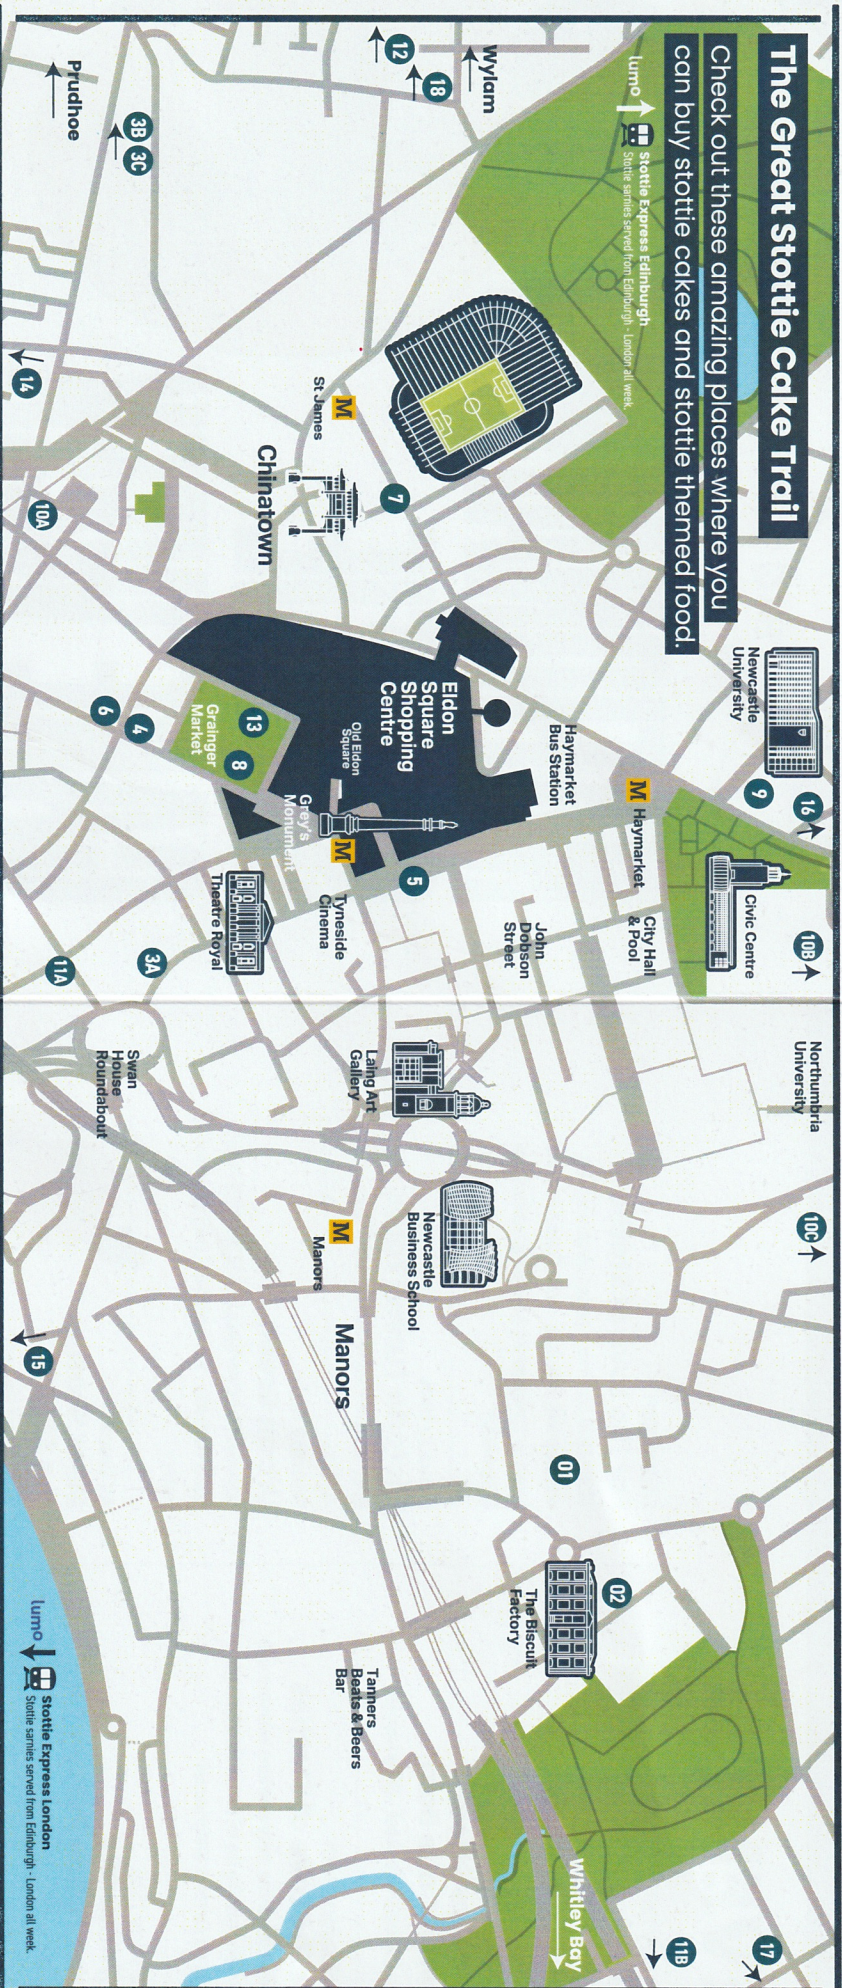

Heritage should leave a legacy for future generations
to learn from and build on. We believe we can achieve
some of that through National Stottie Cake Week -
showcasing the NE and generating a sense of pride
and a positive future.

Much of what we do at Big River Bakery is about
community and inclusivity- and we have created a
global community - all through the love of the stottie
cake. We have many events planned - so watch out
on Social Media.
