**CARTONIC 3D PUZZLES** are the easy and **eco** way to create a genuine piece of cardboard art. It's as **simple as 1-2-3** assembly of the **famous head or object** that you'll make with your own hands.

And once you're done, you can make your artwork even more unique by **painting it** or enjoying it as is in your **home decor**. But we should warn that you might need a new one right after the assembly because the process is kind of **addictive**.

**CREATE, CALM YOURSELF,  
SHARE IT AS A GIFT,  
AND CARTONIZE YOUR ICON!**
