

# Learning About ProCare Health

# Our Company

Constantly evaluating advances in surgery and changes in needs

A comparison of top brands shows that patients can save 44-57% a month on supplements with ProCare Health

All items manufactured in GMP Certified facility

Our products are made with minimal binders and fillers

Fewer doses a day is easier for the patient to adhere to your requirements

All items manufactured in the USA

Tested and monitored patients for 2 years as adjustments were made until proving a one dose a day can work!

Researched TruCal Calcium and found it was a great fit for patients

We were the first company to create and test the Once Daily Bariatric Multivitamin

Gluten-Free, Dairy-Free

Made in the USA

Fast-dissolving vegetable-based capsules

Chewables are available in flavors of Fruit Punch & Citrus

Coming soon: Biodegradable Bottles

Meets ASMBS Guidelines

# Probiotic + Bariatric Multivitamin

## ORIGINAL LEADING EDGE PRODUCT

### Innovative!

Many programs suggest a probiotic along with other supplements. Combining the multivitamin and the probiotic makes it easy and less expensive.

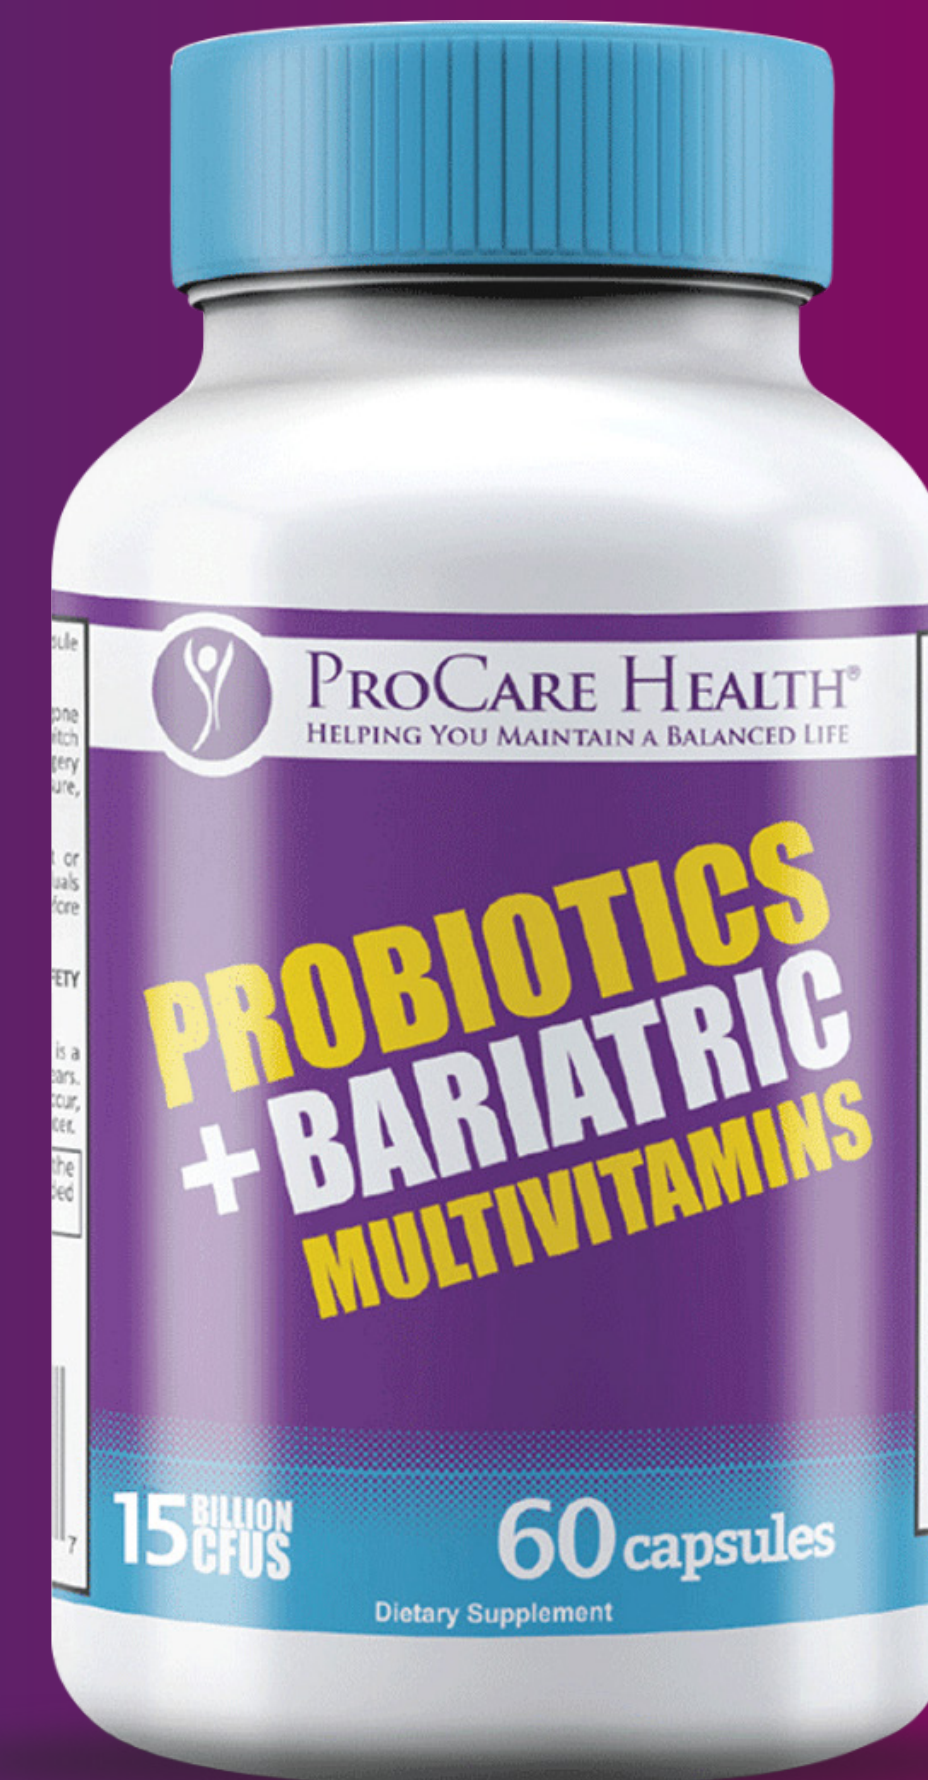

15 billion CFUs of probiotics. Different strains address different areas of digestion.

### Benefits

A Stanford study<sup>[1]</sup> showed that patients who started taking a probiotic after weight loss surgery lost weight at a faster rate and had improved vitamin absorption rates for supplements like B12.

Customers report better sleep, better weight loss (moving through a stall), and better digestion (less constipation and bloating).

[1]Woodard GA, Encarnacion B, Downey JR, et al. Probiotics improve outcomes after Roux-en-Y gastric bypass surgery: a prospective randomized trial. J Gastrointestinal Surg 2009 Jul;13(7):1198-1204.

TWICE A DAY

# Prenatal + Bariatric Multivitamin

For the unique needs of mother who has had weight loss surgery.

## GENTLE ON THE SYSTEM

- **Gentle proprietary tummy soothing blend** to lessen morning sickness (including superfood spirulina, as well as red raspberry, dandelion root and ginger)
- **5 billion CFUs of probiotics** to promote healthy digestion and **10 mg of Prebiotics (Inulin)** which are fuel for the good bacteria in the gastrointestinal system
- Delivers **optimal nourishment** and protection before and during pregnancy, and while nursing
- **60mg** of Iron

## HOW IT'S FORMULATED

- **Reduced vitamin A** per prenatal needs
- **Potassium** helps prevent muscle cramps, fatigue, and weakness
- **Vitamin B** complex provides natural energy and stress support
- **1700 mcg Methylfolate (Active form of Folic Acid)** promotes healthy brain and spinal development
- Coming Soon: Updated formula with added Choline

TWICE A DAY

# DS / SADI Bariatric Multivitamin

Specifically Formulated for the Duodenal Switch and SADI procedures.

## ONLY ONE PER DAY!

- 60mg of Iron
- Increased levels of Vitamin D, E, & K
- Increased Thiamine, Zinc, Selenium, Chromium, and Copper
- 10,000 IU Vitamin A

ONCE A DAY

# Bariatric Multivitamin – Special 45

## Addressing the Unique Needs of Patients

With our bloodwork program, we found that patients had **unique needs** and we wanted to create a great option that addresses these.

## OUR SAME ONCE DAILY FORMULA WITH 3 KEY DIFFERENCES

- Lower **B12** – 500mcg
- Increased **Thiamine** – 25mg
- Lower **Vitamin A** - 5,000IU

ONCE A DAY

# Bariatric Multivitamin Soft Chews – Multi-Flavor

## 3 All-Natural Flavors in Every Bottle

- Cran-Grape, Mango-Orange, and Cherry-Lime
- Flexible Serving Size, accomdating wide range of needs
- Includes Iron (11.3mg per chew)
- No Artificial Sweeteners or Sugar Alcohols
- Gluten, Soy, and Dairy Free
- Iodine Free
- Certified Kosher

2-4 CHEWS DAILY BASED ON NEEDS

# Magnesium & Vitamin D3 Immunity Support Complex

Great supplement for immunity support!

Provides a healthy dose of **Magnesium, Vitamin C, Vitamin D3, Calcium, Zinc, Copper, and Quercetin**

## Benefits:

Targets and **supports bodily issues** that can lead to diminished immune systems – stress, poor sleep, slow metabolism, and overall vitamin deficiencies that weaken your bodies protection against viruses and diseases.

**Almost 50%** of all Americans suffer from Magnesium, Zinc, or Vitamin D3 deficiency

**Quercetin** - It's one of the most abundant antioxidants in the diet and plays an important role in helping your body combat free radical damage. Also shown to support the body's fighting reaction to inflammation, allergy symptoms, and blood pressure.

ONCE A DAY

# B-Complex Liquid

High Dose of B-12 with  
Additional B Vitamins

## Citrus Flavored!

Taken **sublingually**, where it stimulates tissues in our mouths to quickly deliver the ingredients directly into our bloodstream

Utilizes the **preferred**  
Methylcobalamin form

## How it's formulated:

- Riboflavin (B-2)
- Niacin (B-3)
- Pyridoxine (B-6)
- Pantothenic Acid (B-5)
- Methylcobalamin (B-12)

TWO MONTH  
SUPPLY

TWO DROPPFULS A DAY

2-4 DAILY BASED ON NEEDS

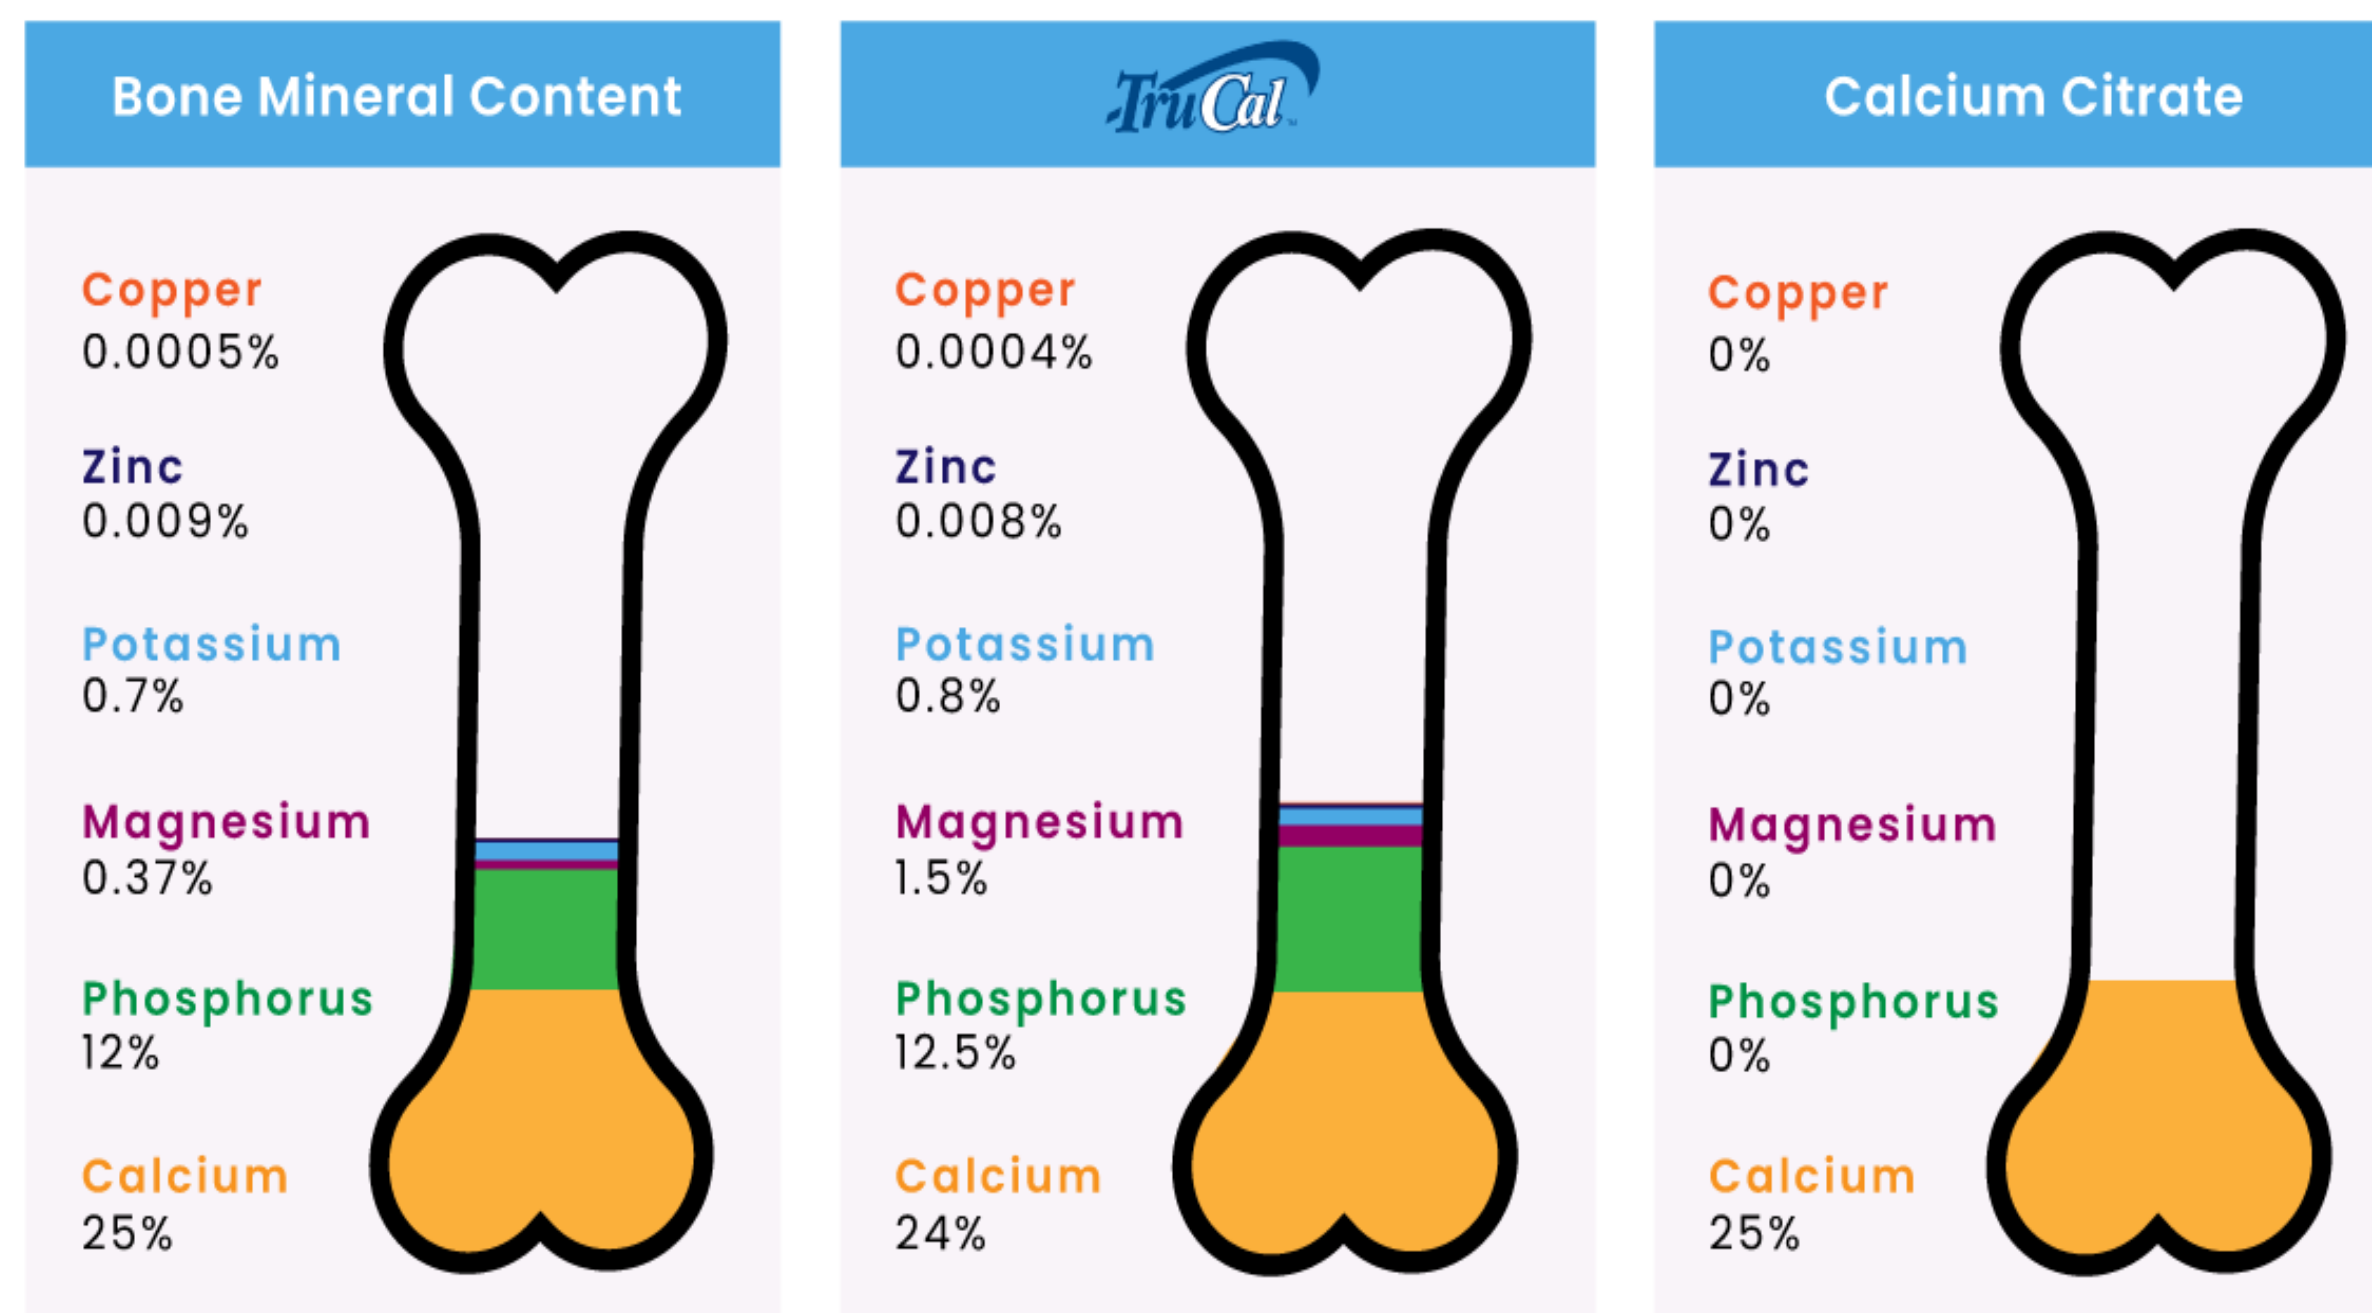

# TruCal®

- All-Natural Calcium with a higher absorption rate than Calcium Carbonate
- Equal to or Greater than Calcium Citrate
- Unlike other Calcium forms, TruCal® offers a balanced profile of essential minerals and antioxidants making TruCal® the superior choice for optimal bone health
- Very Low in lactose - 0.01%
- Like Calcium Citrate, TruCal does not require stomach acid for absorption, is non-constipating, does not increase the risk for kidney stones, and doesn't need to be consumed with food; making TruCal a comparable, if not more complete, Calcium option than Calcium Citrate.

## TruCal® Milk Minerals Mimic Mineral Composition of Our Bones

[LEARN MORE ABOUT TruCal® >](#)
